## **ARTICLE 1 – PROFESSIONAL NEGOTIATIONS AGREEMENT**

### **1.1 AGREEMENT**

- 1.1.1 **Recognition** – The Mentor Exempted Village Board of Education (hereinafter referred to as "Board" or "Employer") recognizes the Mentor Teachers Association, an affiliate of the Ohio Education Association (OEA) and the National Education Association (NEA) (hereinafter referred to as "Association" or "MTA"), as the sole and exclusive representative of the bargaining unit as defined in Article 1.1.4., for purposes of collective bargaining with respect to rates of pay and all other conditions of employment within the bargaining unit.
- 1.1.2 **Discrimination** – The Board, the Association, and the members of the bargaining unit shall carry out their respective functions without regard to any protected class status under state and federal law including but not limited to race, religion, age, sex, marital status, color, national origin, creed, and membership or nonmembership in the association. No reprisals shall be taken against any teacher by reason of his/her utilization of any procedure or right accorded by this Agreement, nor on account of his/her membership or position in the Association.
- 1.1.3 **Board Rights** – Nothing herein shall be construed in any manner to diminish the authority of the Board in respect to any power, right, responsibility, or duty conferred on boards of education by federal and/or state statutes, regulations, and the common law unless specifically set forth in this Agreement or previously and subsequently negotiated terms in effect as between the Board and the Association which are specifically set forth in writing.
- 1.1.4 **Bargaining Unit** – The bargaining unit for which the Association is exclusive representative shall consist of:
- 1.1.4.1 Certified/licensed teachers, regularly employed in classroom teaching, and long-term substitutes.
- 1.1.4.2 Guidance counselors, therapists, pathologists, media specialists, school psychologists, nurses, reading consultants, and instructional coaches. Upon retirement or resignation from the District, nurses will be replaced by health aides not included in the MTA bargaining unit, provided that the District shall maintain a minimum of three (3) nurses. When a nurse departs due to attrition, the position shall be allocated among the remaining nurses by seniority.

**EXCLUSIONS:** No employee who occupies the position of supervisor, superintendent, assistant superintendent, principal and assistant principal, confidential employee, management employee, home instructor, or short-term substitute shall be considered a member of the bargaining unit. In the

event of a dispute between the Association and the Board in respect to the question of whether a particular employee of the Board falls within one of the classifications excluded from the bargaining unit as herein defined, that dispute shall be referred to the final step of the grievance procedure as set forth herein. Both the Board and the Association agree that the definitions of such excluded classifications shall be governed by the Ohio Revised Code except as otherwise defined herein.

1.1.5 **Promotion** – Nothing in this Agreement shall limit the right of the Board to promote consenting employees from the bargaining unit to existing or future positions outside the bargaining unit.

1.1.6 In the event that job classifications other than those listed in Article 1.1.4. of this Agreement are established after the date of this Agreement and by reason of the nature of the position are not excluded from the bargaining unit as set forth in this Article 1.1.6., then the Board upon request shall meet with the Association to discuss whether such classification should be added to the existing bargaining unit. If the parties are unable to agree, the matter shall be referred to arbitration in accordance with the provisions of Article 7 of this Agreement.

1.1.7 The term "bargaining unit" or "unit" wherever used herein refers collectively to the employees employed in the job classifications listed in Section 1.1.4. and to other employees added thereto by reason of Section 1.1.6., of this Article.

1.1.8 From time to time throughout this Agreement the word "teacher" is used in place of the words "member of the bargaining unit" or "employee". Unless the sense of the section in which the word "teacher" is used is clearly limited to mean only classroom teachers, the word "teacher" is meant to cover all members of the bargaining unit.

## 1.2 **REPRESENTATION AND DUES**

1.2.1 Upon receipt of a properly signed authorization form, which shall be provided by the Association, the Board will cause a deduction to be made according to established schedules for Association dues and assessments. Such form shall be revocable at any time by a member of the bargaining unit provided, however, the Board assumes no responsibility for deductions made in those situations where the employee does not execute a revocation form in sufficient time for the Board to change its records for the next payroll.

1.2.2 For the purpose of Association deductions, the Board shall remit such deductions to the Association within five 5 days of the pay date for which such deduction is made. The Association agrees that it will indemnify and save the Board harmless from and against any and all bargaining unit members' claims shall arise out of or by reason of action taken hereunder. The bargaining unit, demands, suits, or forms of liability that member shall

provide the Board Treasurer with at least a two pay period written notice prior to termination of the deduction. The Board shall notify in a timely manner the Association of any changes in the dues deduction.

### 1.3 **NEGOTIATION PROCEDURE**

- 1.3.1 **Scope of Negotiations** – The Board and the MTA shall bargain in good faith according to O.R.C. 4117 on wages, hours, terms and conditions of employment.

It is herewith agreed that no provision of Ohio Revised Code 4117.14 or any other section of the Code purporting to establish for public sector bargaining a process of negotiation, dispute resolution, settlement, or approval shall be applicable as between the Association, its members, and the Board save and except those specific provisions of the Code which permit public employers and the bargaining agent for employees of a public employer to reach agreement on issues other than as provided for by law. The methods of negotiation, dispute resolution, settlement, and approval set forth in this Article shall be the exclusive manner and authority whereby the parties hereto shall seek to reach agreement on all mandatory and permissive subjects of bargaining. Nothing contained herein shall be construed to prevent any party from filing a charge with the State Employment Relations Board in respect to the suspected commission of an unfair labor practice.

- 1.3.2 **Negotiation Planning** – In the year preceding expiration of the current agreement, the Superintendent and a representative of the Board's team along with the Association President and a representative from the Association's team shall, by October 1, meet to determine if a traditional or alternative bargaining style shall be used in negotiations the next year. If an alternative bargaining style is selected, this four (4) person group will determine the alternative style, preferred meeting times (during or after the school day; weekends), and any other procedural issues. If there is no agreement for an alternative bargaining style by October 1, the parties shall utilize a traditional bargaining method.

- 1.3.3 **Requests for Negotiations** – If either of the parties desires to open negotiations for a successor Agreement, it shall notify the other party in writing not earlier than January 1 or not later than January 31 of the year in which this Agreement expires. Written notice from the MTA shall be served on the Superintendent; written notice from the Board shall be addressed to the President of the MTA. The party giving notice shall also serve a copy of the written notice, together with a copy of the Agreement, on the State Employment Relations Board (SERB).

#### 1.3.4 **Bargaining**

1.3.4.1 **Bargaining – Alternate Model** -The Board and the Association may enter into an alternate negotiation model by mutual agreement. Should an alternative model be used:

- (1) The parties agree to the appropriate training,
- (2) The parties agree to establish general rules,
- (3) The parties agree to develop a transitional plan to facilitate the return, if necessary, to traditional bargaining,
- (4) The parties agree to waive the provisions contained in 1.3.3, 1.3.4, 1.3.5, and 1.3.7 below while bargaining under an alternative negotiation model.

#### 1.3.4.2 **Bargaining – Traditional**

- (1) Within thirty (30) days after receipt of such notice, but not later than March 1 of the year in which this Agreement expires, an initial negotiations meeting will be held unless the parties otherwise mutually agree.
- (2) Items for negotiation, together with proposals thereon, shall be presented at the initial bargaining session. No items shall be added unless mutually agreed to by both parties.
- (3) The initial session and all future sessions shall not adjourn until a time, place, and date have been established for the next bargaining session or until all matters submitted for bargaining have been agreed to or otherwise resolved.

#### 1.3.5 **Representation**

1.3.5.1 **Bargaining Team** – The bargaining procedure shall be conducted between representatives of the Board and the MTA. These representatives shall be known as the bargaining teams. Each team may consist of no more than eight (8) members, including two (2) observers, unless modified by mutual agreement. Each party represented in the bargaining procedure shall determine who will be its bargaining team representatives, but shall not select members of the other party involved in the bargaining procedure. Bargaining team members shall be authorized to bargain in good faith.

1.3.5.2 **Bargaining in Executive Session** – All bargaining shall be private, and no transcript or recording shall be permitted. This section shall not

preclude the taking of notes, the compilation of memoranda and/or distribution of notes or memoranda by either side to any person, or party, in conformance with ORC 4117.

### 1.3.6 **Other**

1.3.6.1 **Caucus** – Either bargaining team may call for a caucus during a bargaining session. If a caucus extends beyond thirty (30) minutes, the calling party shall inform the other party of the expected duration.

1.3.6.2 **Exchange of Information** – The Board and the Association agree to provide the other upon request pertinent information to areas that may be discussed during the bargaining period within ten (10) weekdays excluding holidays, if school is not in session. (This does not require the administration to organize and prepare information in a different form than it currently exists unless it has been or is being prepared for themselves.)

### 1.3.7 **Agreement**

1.3.7.1 Tentative agreements on negotiated items shall be reduced to writing and initialed by a representative of each party. The tentative agreement shall be recommended by the respective teams to the parties it represents.

1.3.7.2 The final agreement reached through negotiations shall, without delay, be reduced to writing and submitted to the bargaining unit represented by the MTA for ratification. Upon such ratification, the agreement shall be submitted to the Board for ratification at its next regularly scheduled meeting or within ten (10) weekdays, excluding holidays, whichever is sooner. If ratified, the agreement shall then be properly signed and dated on behalf of the parties. A copy shall be served upon SERB.

1.3.7.3 A vote by the Association or Board to disapprove shall once again restore the parties to the bargaining process without obligating either party to maintain positions held immediately prior to submission for approval.

### 1.3.8. **Dispute Resolution**

1.3.8.1 **Mediation** – At any time during the bargaining process either side may request with or without a declaration of impasse the Federal Mediation and Conciliation Service to provide a mediator to assist the parties in reaching agreement. The mediator shall have no power to impose a settlement on either party or to in any way bind either party to agreement on any issue.

Mediation shall be intended to be the final step in the process. Should mediation be unsuccessful in resolving the dispute, however, other steps for the resolution of the dispute may be entered into provided all such steps are mutually agreed upon by the parties.

1.3.8.2 In the event no agreement has been reached, approved, and ratified prior to the expiration date of the current Agreement, the Association shall be free to engage in a work stoppage. The Association, in the event it determines to engage in a work stoppage, shall be obligated to provide the Board written notice of its intention at least ten (10) full weekdays prior to the work stoppage. Included in the notice the Association shall state the date upon which its members shall refuse to report to work. Thereafter, should the Association rescind its strike notice, timely notice of this shall be delivered to the Board. The Board, in the event of a work stoppage, shall have such rights and remedies as are afforded it by virtue of the laws of the State of Ohio.

## **ARTICLE 2 – RIGHTS**

### **2.1 MANAGEMENT RIGHTS**

2.1.1 The Association recognizes that, except as otherwise expressly limited in this Agreement, it is the exclusive function of the Board to maintain order, efficiency, and general operational responsibility for the schools and its programs, training and support functions; to hire, direct, classify, temporarily reassign, assign, schedule, transfer, evaluate, promote, demote, and layoff employees; and also to discipline or discharge employees; to make and alter reasonable rules and regulations to be observed by employees; to determine the classifications, size, and duties of the work force; to determine reasonable levels of quality and quantity of work; to determine work methods, materials, and equipment; to determine staffing patterns; to assign and allocate work within and between schools and departments; to reorganize, discontinue, or enlarge any schools or departments or portions thereof; and to generally otherwise carry out all other ordinary and customary functions of a board of education.

## **ARTICLE 3 – PROFESSIONAL CONCERNS**

### **3.1 TEACHER WORK YEAR**

- 3.1.1 The length of a teacher's work year, not counting compensated extended time, shall not exceed one hundred eighty-eight (188) days. Labor Day, Memorial Day, and Thanksgiving Day shall be paid holidays. NEOEA Day shall be a non-paid, non-work day.

At the beginning of the school year, three (3) days in the one hundred eighty-eight (188) day work year shall be mandatory in-service days. Teachers shall have at least one (1) day of the three (3) in-service days prior to the start of the student year to engage in self-directed professional activities.

As to professional records/in-service days, the Superintendent shall have authority to direct time spent in maintaining and completing professional records or in other approved activity on such days.

There shall be one in-service day occurring after the beginning of the school year during the first semester. This in-service day shall be a paid workday; however, staff will not be required to report.

There shall be two (2) non-instructional teacher professional work days scheduled for the end of the first quarter and the end of the third quarter. On these days, teachers shall report for regularly-contracted hours but students shall not report. Administration may schedule up to two (2) hours of PLC time for each day. The time not spent in PLC shall be teacher-directed time.

The placement of the second semester in-service day will be determined by the Calendar Committee. One-half of the January in-service day shall be used for in-service activities, and the other one-half day to be used by teachers for self-directed professional activities. MTA shall assist with the planning of the second semester in-service program by appointing three (3) teachers to serve on an in-service committee along with three (3) administrators appointed by the Superintendent. The second semester in-service day shall be available to intervention specialists for self-directed activities.

The final contractual workday of the year shall be designated a records day.

- 3.1.2 **Calamity Days** – Individual staff assignments shall be carried out in accordance with contract provisions, statute, policy, and rules and regulations for days defined in the school calendar, unless it becomes necessary for the Superintendent to close the schools (or a school) for calamity, emergency, etc., as defined in the Ohio Revised Code. A staff member may not deviate from their regular schedule. When the Superintendent determines to close a school or schools on account of a

calamity or emergency, as defined as above, staff shall be informed through established channels of communication.

On days school is closed as a result for any calamity reason set forth in the Ohio Revised Code, the following procedures shall apply:

- a. The first four (4) calamity days of any school year will not be made up.
- b. Calamity days five (5) and on, individual teachers will post online assignments for each class period by 10:00 a.m. of that calamity day. The content of the assignments must be aligned to Ohio's Learning Standards and current in-class lessons.
- c. Teachers are not required to report to school on calamity days five (5) through eight (8), but four (4) hours for each calamity day will be accumulated for attending district professional development, prior to the start of the following teacher contract year. The professional development offered by the district shall be varied, flexible, and may include online and technology training. These professional development opportunities shall begin in the second semester of each school year.
- d. Beginning with calamity day nine (9) and beyond, teachers need to log four (4) hours for every calamity day missed. These hours can be any school related time that is spent outside the contracted day. Examples: coming to school on the calamity day if school is open, attending any school event, working on school material outside the school day, etc. This log will be turned in to your principal documenting these four (4) hours per calamity day beginning with the ninth (9) calamity day.

If a calamity day creates an extenuating circumstance, the MTA and Board shall meet to agree upon a mutually agreed upon solution.

3.1.3 **Teacher Workdays** – The maximum length of a teacher's workday shall be:

- a. High School 7 hours, 45 minutes
- b. Middle Schools 7 hours, 30 minutes

The furnishing of such information, however, is not a guarantee of employment.

5. Teachers are expected to perform their duties and assume the responsibilities assigned their respective positions in accordance with Board

policies, job descriptions, and rules and regulations not spoken to in negotiated language.

6. The administrator's judgment in making the assignments under these procedures set out in this Article 4.1 shall not be grievable.

The employee, likewise, may seek a second opinion to a report issued by a Board physician(s). Should there be a need to eliminate a position the following process will be followed:

1. The principal shall notify the affected grade level or department.
2. The principal will ask for a volunteer to leave the building. If there are no volunteers, refer to Article 4.4 to determine the least senior teacher to leave the building.

\*All movement within the building will take place before the position is posted.

4.4 **TEACHER TRANSFER** – Transfer shall be defined as reassigning a teacher to a different building, subject area, or grade level (elementary).

The transfer of staff members in the Mentor School District shall be made by the Superintendent of Schools. The prime factor in making transfers will be the school system's needs.

- a. Preference shall be given employees already teaching in the system who have filed timely transfer requests before newly hired employees in respect to available openings. A meeting with the building administrator in which an opening occurs is a prerequisite to transfer. The prime factor in making transfers will be the school system needs, and reassignment shall be in accordance with the consideration factors specified in Article 4.
- b. Employees desiring to be transferred shall submit a request for transfer via the online website to the Director of Human Resources. Should a vacancy occur before July 10, an employee may submit a request for transfer for that position no later than seven (7) calendar days after the posting of the vacancy. All employees submitting such request shall be granted a meeting with the building administrator. Except in unusual circumstances, voluntary transfers are not granted during the school year.
- c. Listings of all bargaining unit openings will be sent via email to all bargaining unit members and bargaining unit openings that occur after the last employee workday and on or before July 10 shall be emailed to all bargaining unit members. Summer vacancies shall be posted on the website for five (5) calendar days and that shall be the closing date for applying for the opening. - c. When qualifications are substantially equal and the need can be met by more than one staff member, the employee with the least continuous seniority in the system will be transferred.

4.4.3 In the determination of any grievance filed under these transfer sections, the arbitrator's authority shall be limited to determining whether the procedural guidelines have not been met, and if so determined, he/she shall limit the relief granted to ordering the actions to be taken again in conformance with procedure and to assessing the arbitrator's fee/expenses on a loser pay basis.

- 4.4.4 In the event the school district undergoes a restructuring change, the Board and Association shall negotiate the effects of the change. A restructuring change shall be defined as the movement of staff other than through regular transfers. One example would be the movement of grade levels from one building to another building.

#### 4.5 **REDUCTION IN FORCE**

- 4.5.1 In the event the Board determines that it is necessary to effect a reduction in force within the bargaining unit as a result of decreased enrollment, suspension of schools, territorial changes affecting the district, changes in curriculum, changes in the use of instructional personnel, financial reasons, or other reasons provided for by law, the Board may proceed to suspend contracts in the manner set forth in Article 4. The procedures set forth herein in respect to a reduction in force shall not be applicable to the nonrenewal of contracts on account of reasons of performance or to teachers employed as substitutes, tutors, and on supplemental contracts.

In determining “comparable evaluations” for the purposes of reduction in force, there shall be three categories: (1) Ineffective; (2) Developing; and (3) Skilled or Accomplished.

The previous year’s IObservation evaluation rating and the current year’s IObservation evaluation rating will be taken into account and the highest score of these two years will be the category for the teacher for reduction in force purposes.

Bargaining unit members shall be “comparable” to each other only if they are in the same category set forth above.

- 4.5.2 Should a reduction in force be anticipated far enough in advance to enable the Board to take action at its May meeting preceding the school year in which the reduction is planned, all those holders of limited contracts in the teaching field(s) affected with less than three (3) years of continuous service in this district (determined as of the end of the then current school year) shall have their contracts nonrenewed to the extent necessary to effect the reduction. They shall have no right of recall. In respect to those holding limited contracts in the teaching fields affected by the reduction in force and who will have more than three (3) years continuous service in this district by the end of the then current school year, their contracts, to the extent necessary to effect the reduction, will be renewed but suspended effective the date of the planned reduction. The preceding sentence shall in no way be construed as guaranteeing renewal since the Board may elect for reasons not associated directly to the reduction to nonrenew their contracts. All those whose limited contracts are renewed and then suspended on account of the planned reduction shall have recall rights as specified herein

provided they are recalled within the next two (2) calendar years following the effective date of contract suspension.

Should the Board effect a reduction in force at any time other than its May meeting, all holders of limited contracts in the teaching field(s) affected by the reduction shall, to the extent necessary to achieve the reduction, have their contracts suspended. The suspensions of such contracts shall be continued until they are recalled or until such contracts are nonrenewed or renewed and suspended in accordance with the longevity requirements set forth in this Section 4.5.2 Thereafter those whose contracts are nonrenewed shall have no recall rights, and those whose contracts are renewed but suspended shall have recall rights as specified in this Section 4.5.2.

4.5.3 **Notification of Layoff** – Thirty (30) days prior to Board action which will approve a reduction in force, the Superintendent shall serve notice upon all members of the bargaining unit whose contracts are to be nonrenewed or suspended by the reduction. The notice shall set forth the category to which he/she belongs, the respective certification/license area(s) and/or teaching field(s) to which they are certificated/licensed/assigned, and the seniority date calculated for them in the area of certification/license/teaching field. The notice and the contents thereof shall be conclusive upon the bargaining unit and the Association unless a member of the bargaining unit, within ten (10) days following issuance of the notice serves written notice upon the Superintendent setting forth in what respect the notice is in error as to him/her. The Association shall receive a copy of this notice within twenty-four (24) hours of the teacher receiving such notice. A failure on the part of any member of the bargaining unit to file a written objection shall constitute a waiver of any right to contend error in his/her respect except if another bargaining unit member has his/her position on the notice changed because of an objection and provided the adjustment is detrimental. In such a case the one so affected by the adjustment waives a right to further adjustment unless he/she objects within the ten (10) days following notice of the adjustment. In the event an adjustment is not agreed to as between the Superintendent and the objecting employee, the dispute shall be referred to Step III of the grievance procedure and an expedited hearing held. The Arbitrator shall convene the hearing within five (5) working days of reference and shall issue the decision within three (3) workdays of the close of the hearing at which evidence is received.

4.5.4 **Seniority Defined**

- a. Within the affected category of comparable evaluation (i.e., ineffective; developing; or skilled / accomplished, reductions in force shall begin in inverse order of seniority first consisting of holders of limited contracts in the teaching field affected by the reduction and then holders of continuing contracts to the extent necessary to effect the reduction. (For the purposes of reduction in force, a teacher granted a continuing contract in the current year shall be considered to hold such continuing contract for a reduction in force proposed for the following school year.)

- b. Seniority shall mean:
  - (1) Years of unbroken continuous service in this school district, continuing contract holders, and such unbroken, continuous service in the teaching field affected by the reduction, for limited contract holders.
  - (2) Authorized unpaid leaves of absence shall not be counted toward seniority but shall not constitute a break in service.
  - (3) Years of professional employment served on a part-time basis shall for seniority purposes be equated as a fraction of full-time service (e.g., four (4) years of half-time service shall equal two (2) years of seniority).
  - (4) Seniority shall begin to accrue from the first day worked in a bargaining unit position.
  - (5) It shall not be considered a break in service if a teacher is laid-off. The laid-off teacher (continuing or limited) shall not accrue seniority during his/her layoff, but his/her seniority status upon recall shall be the same as the day of his/her layoff.
- c. Without regard to seniority, the Superintendent shall preserve the position of one who by reason of position in the notice should be affected by the reduction for only the following reasons:
  - (1) Compliance with state or federal laws and regulations for continuing and limited contract holders; and
  - (2) To preserve supplemental duties and extracurricular activities for limited contract holders.

4.5.5 **Equal Seniority** – A tie in seniority shall occur when two (2) or more employees have the same amount of seniority credit as determined by the seniority list. Ties in seniority shall be broken by the following method to determine the most senior employee:

The employee with the first day worked; then

- a. High level of certification appropriate to the position, i.e., permanent, professional, resident educator, provisional.
- b. Previous interrupted service (unpaid leaves of absence or time spent on recall list) in the Mentor Exempted Village School District.

The Employer shall prepare and post electronically a seniority list indicating, by area of certification, the first day worked and the contract status (limited or continuing) of each employee. Said list shall be provided to the Association President on or before the date of posting.

- a. The names of employees on the seniority list shall appear in seniority rank order within area of certification with the name of the most senior employee appearing at the top of the listing and the name of the least senior employee appearing at the bottom of the listing.
- b. The names of employees who are certified/licensed in more than one (1) area shall be included on the listing for all areas of certification.

4.5.7 **Correction of Inaccuracies** – Each employee shall have a period of thirty (30) days after posting of the seniority list in which to advise the Employer or its agents in writing of any inaccuracies which affect his/her seniority. The Employer or its agents shall investigate all reported inaccuracies and make such adjustments as may be in order and post the updated list immediately. No protest shall be considered after thirty (30) days of the posting of the seniority list, and the list shall be considered as final until the next posting.

4.5.8 **Recall List**

- a. A teacher who is laid-off shall be removed from the seniority list and placed on a recall list. Recall shall be by area of certification/teaching field (For example: K-6, 4-9, 7-12) in the categories recalled in inverse order of layoff among those still eligible for recall. During a reduction in force and consequent layoff, each one affected by the reduction shall be obliged to keep the Director of Human Resources apprised of his/her current residence address. Recall shall be by certified/licensed mail, return receipt requested, to the address on file. If the recalled employee does not deliver a written acceptance of recall to the Assistant Superintendent within ten (10) days of the post-marked date on their letter of recall, he/she shall be placed at the bottom of the recall list. Limited contract teachers shall remain on the recall list for the remainder of the two year calendar period following the effective date of contract suspension. (See Section 4.5.2)
- b. Time spent on layoff on account of reduction in force shall be without pay and without fringe benefits. Insurance may be maintained by

delivering the full cost of any insurance the employee wishes to retain to the Treasurer by the twenty-fifth (25th) day of the month preceding the month in which the premium is due.

This Section shall not obligate the Board to issue such a contract if the Board determines to terminate, nonrenew, or modify the employment relationship as provided by law. A teacher must apply to the Human Resources office by September 15<sup>th</sup> if she/he qualifies for consideration for a “continuing contract.”

5.1.2. **Continuing Contracts** – Teachers will be issued continuing contracts at the time they have fulfilled the necessary service requirements and obtained either professional, permanent, life-teaching certificates, or license as defined in the Ohio Revised Code. This Section shall not obligate the Board to issue such a contract if the Board determines to terminate, nonrenew, or modify the employment relationship as provided by law.

5.1.3 **Supplemental Contracts** – Supplemental contracts will be issued for assigned, paid supplemental duties. The value of supplemental duties will be determined based on the mutually developed supplemental activity formula. All supplemental contracts shall be limited contracts and shall be issued for a period not to exceed one contract year.

5.2 **REGULATIONS GOVERNING TEACHERS' SALARY SCHEDULES** – Teachers shall be paid according to adopted salary schedules and supportive rules and regulations.

5.2.1 The Mentor Board of Education annually adopts and files with the State Board of Education teachers' salary schedules with provisions for increments based upon training, professional growth fulfillment, and experience.

5.2.2 Advancement on the salary schedules is dependent upon training, professional growth fulfillment, and experience.

5.2.3 The salary schedules are not contracts between the Mentor Board of Education and teachers but rather a framework for determining the salary based upon qualifications and experience of the employee.

5.2.4 College credits are to be evaluated on a semester hour basis and must be from an institution approved by the Department of Education for Teacher Training, State of Ohio. One year of training is interpreted as thirty (30) semester hours or forty-five (45) quarter hours.

- 5.2.5 Commencing for persons initially hired with the 2013-14 school year, the Mentor Board of Education shall afford salary placement credit to new hires in accordance with ORC 3317.13.
- 5.2.6 The Mentor Board shall cause notice to be given annually, not later than the first day of July, to each teacher who holds a contract valid for the succeeding school year as to the salary to be paid said teacher during the coming year. Should a new salary schedule be negotiated in accordance with established procedures subsequent to the issuance of the aforementioned salary notice, then a revised salary notice shall be issued to each teacher.
- 5.2.7 Salary for extracurricular services will be according to established salary schedules. Supplemental contracts shall be issued for such assignments in accordance with the Ohio Revised Code.
- 5.2.8 Credit hours presented in qualifying for the Bachelor's degree in education or for standard teacher certification at time of employment are acceptable for the B.A. classification only.
- 5.2.9 To advance to the BA+15 salary schedule, the teacher must present a minimum block of fifteen (15) graduate college semester hours after qualifying for a Bachelor's degree or standard teacher certification; to qualify for the M.A. column, the teacher must present documentation of having been awarded a Masters degree from an accredited institute of higher education; to qualify for advancement in the MA+ columns the teacher must present blocks of fifteen (15) graduate college semester hours after qualifying for a Masters degree in courses approved in advance by the MPDC. To be considered for approval, such courses must relate to the work of the teacher, the improvement of the educational program of the District, and/or the teacher's specific job assignment.
- A maximum of three (3) semester hours obtained through MEAPs may be credited toward each fifteen (15) hours needed to advance on the salary schedule. Ten (10) MEAPs shall equal one (1) CEU and thirty (30) MEAPs shall equal one (1) semester hour.
- 5.2.10 College semester hours taken and required to alleviate temporary certification cannot be used in determining placement on the salary schedule.
- 5.2.11 A non-degree teacher with less than ninety (90) semester hours qualifies for "D" classification.

- 5.2.12 To qualify for the "C" classification, the non-degree teacher must present a minimum of ninety (90) semester hours.
- 5.2.13 All contracts will be based upon training as of effective date of employment. Proof of training is to be supplied by the approved training institution at the request of the certificated staff member. It is also the responsibility of the certificated staff member to present a valid certificate in the area of his assignment on or before the first day of school.
- 5.2.14 Each certificated staff member who has completed training that qualifies him/her for a higher salary bracket shall file on or before the fifteenth (15th) day of September and/or fifteenth (15th) day of February with the Superintendent of Schools satisfactory evidence of the completion of such additional training. This, then, shall be certified/licensed by the Director of Human Resources to the Treasurer who will immediately place the certificated staff member in the proper salary bracket in accordance with training and experience. The date of such salary increase shall be the beginning of the contract year if the qualification comes prior to September 15, or February 15 if qualification comes between September 15 and February 15 for the position affected (exclusive of extended time), subject to approval by the Mentor Board of Education.
- 5.2.15 Those teachers who qualify for and who wish to be considered for the professional certificate or a five (5) year license, after the April continuing contract recommendations have been submitted to the Board, may apply for continuing contract consideration at the regular March Board meeting of the following year under the following conditions:
- a. Professional certificates or licenses must be placed on file in the Human Resources Office at least two (2) weeks before the date of the September Board meeting in order to allow adequate time for consideration of the application for continuing contract.
  - b. The recommendation of the Superintendent, as required under Section 3319.11 of the Ohio Revised Code, remains a prerequisite to employment under a continuing contract.
  - c. Apply to the Human Resources office by September 15 of the year that they feel they qualify.
- 5.2.16 Teachers who have served in the District as a tutor for two (2) or more years shall receive one (1) year of teaching experience toward tenure as a teacher for every two (2) years of serving as a tutor for the District.
- 5.2.17 The Board recognizes that through no fault of an employee, occasional errors or delays can occur in the processing of a contract in the computation of salary and/or in the processing of credits for advancement. Whenever such an error or delay occurs, an individual will receive the salary and/or benefits which he would have been eligible for had the contract been processed, the salary

computed, or the processing of an advancement been made in accordance with the established policies and rules and regulations. To be eligible an employee must have submitted verification of compliance with all specified requirements for advancement or reclassification at the time established in policy.

5.2.18 Psychologists will be placed on the teacher's salary schedule at the appropriate experience and educational level. Psychologists will be given ten (10) days of extended time to be scheduled by the Assistant Superintendent of Student Services.

5.2.19 Guidance Counselors will be placed on the teacher's salary schedule at the appropriate experience and educational level. Guidance Counselors will be given ten (10) days of extended time to be scheduled by the Assistant Superintendent of K-8.

### 5.3 **SALARY SCHEDULES AND SALARY**

5.3.1 **Salary** – Effective with the first workday of the 2017-18 school year, the base salary as applied to the salary schedule indices shall be \$40,320. Effective with the first workday of the 2018-19 school year, the base salary as applied to the salary schedule indices shall be \$41,127. Effective with the first workday of the 2019-20 school year, the base salary as applied to the salary schedule indices shall be \$41,950. These salaries include payment for the 188th day at the base salary rate.

Teachers shall be eligible for horizontal movement on the schedule, reflecting additional education credit for hours, subject to receipt of approval from MPDC or the Superintendent as appropriate of such course work as set forth above.

#### 5.3.2 **SALARY STEPS**

Based on the District's criteria for teacher evaluation (iObservation score), teachers who are eligible to advance vertically on the salary schedule will be entitled to the following compensation:

- Any teacher rated 2.5 or above shall advance vertically on the salary schedule. (Note: This includes any teacher who is eligible for a step and who is off-cycle from a formal evaluation due to a prior year's final summative rating of Skilled or Accomplished, so long as the iObservation score for the last formal evaluation year rated a 2.5 or above.)
- Any teacher rated below 2.5 shall not advance vertically on the salary schedule.

For any teacher not eligible to advance on the salary schedule in the 2015-16 contract year, the base compensation of each individual teacher shall be increased by the compensation he/she received for the monetary recognition

award program in the 2013-2014 and 2014-2015 contract year and such amount shall continue to be part of the teacher's base for all future years of Mentor employment. For any teacher eligible to advance on the salary schedule in the 2015-2016 contract year, the base compensation of each individual teacher shall be increased by the compensation he/she received for the monetary recognition award program in the 2013-2014 contract year only and such amount shall continue to be part of the teacher's base for all future years of Mentor employment.

The Board will allocate \$20,000 annually to recognize teachers who are rated at 3.25 or above. This pool will be split on a pro-rata basis among those teachers but no teacher may receive more than \$1,000. This payment shall be a one-time, lump-sum payment and shall not attach to the teacher's base salary.

### 5.3.3 **INDIVIDUAL PERFORMANCE PROGRAM ATTENDANCE**

The Board will allocate \$50,000 annually to recognize superior attendance of the membership. The pool will be split on a pro-rata basis among those teachers, but no teacher may receive more than \$500. This payment shall be a one-time, lump-sum payment and shall not attach to the teacher's base salary.

To be eligible for this attendance payment, a teacher must be absent five (5) days or fewer for the contract year. All absences count against a teacher except leaves that have been approved by the District as FMLA-qualifying, religious-need leaves, and any leaves approved by the District as ADA accommodations. Donations made by teachers to the sick leave bank do not count as use of sick leave by the teachers donating the days.

The Board will in accordance with STRS and IRS guidelines pay the employee's contribution to STRS by effecting a uniform salary reduction. In order, however, that published salary schedules accurately depict the Board's salary obligations pursuant to this Agreement, all schedules shall set forth the salary which would be in effect but for this STRS provision together with a legend setting forth the fact that there has been a uniform reduction in order to achieve this benefit.

- 5.3.4 **Salary Schedule Index** – The following salary schedule index shall be used to determine the basic annual salary for each teacher. Such salary shall be determined by multiplying the index number corresponding to that teacher's Board of Education approved year(s) of experience and training level by the district's base salary. Training levels are: ND – no degree; B.A. – Bachelor's degree; M.A.+ – a Master's degree plus the given number of semester hours of course work earned after the M.A. degree or equivalent without an M.A. degree; Ph.D - Doctorate – a Doctorate degree or equivalent.

A qualified Mentor teacher shall be given preference for a vacancy in a supplemental position prior to an outside candidate. An "Activity Block Grant" will be established at each building, and each year teachers may petition the principal and the representative faculty council for a portion of the block grant based on the formula available in Appendix II and III of this Contract. Proposals must be submitted no later than the second Friday in August for consideration for the following school year. Activity clubs are awarded on an annual basis, and teachers who wish to continue their club into the next

This does not preclude a staff member being excused for an emergency.

The Board agrees that if the Administration holds Sixth Grade Camp, participating teachers shall be paid a stipend of \$375.00 for the entire camp (two (2) nights and three (3) days) during the contract year. A teacher who is obligated to leave Sixth Grade Camp for an emergency beyond his/her control shall suffer a pro-rata decrease in the stipend for all time absent from camp. The Administration may, however, waive the requirement that a teacher ride the school bus(es). ## **ARTICLE 6 – ABSENCES AND LEAVES**

- 6.1 **SICK LEAVE** – Sick leave shall accumulate at the rate of one and one-quarter (1¼) days per month [fifteen (15) total days per year] to three hundred twenty-five (325) days. All staff members will be advanced five (5) days of sick leave each year if needed. The total accumulation of sick leave during any year shall not, however, exceed fifteen (15) days.

Employees may use sick leave upon notification to the Director of Human Resources using the online substitute management system for absence due to personal illness, pregnancy, injury, exposure to a contagious disease which would be communicated to others, and for absence due to illness, or injury in the employee's immediate family. Three of those days will be coded as bereavement in the internal absence management system. Employees may use family sick leave in the event of a death in the employee's immediate family. "Immediate family" shall be defined as spouse, son, daughter, father (in-law), or mother (in-law), brother, sister, or other person(s) living in the employee's household who is related to the employee by blood or through marriage. Additionally, sick leave may be utilized for the life-threatening illness and/or injury or death of the employee's brother-in-law, sister-in-law, parent-in-law, grandparent, grandchild, or other person(s) living in the employee's household.

Application for sick leave to be used for anticipated medical treatment or anticipated medical disabilities shall be applied for as far in advance as is possible and shall state the anticipated beginning date of the leave, the estimated duration of the leave, and the expected return date so that appropriate plans can be made for obtaining a competent substitute.

A teacher returning to work shall furnish a written, signed statement on forms prescribed by the Board to justify the use of sick leave and for verification. If medical attention is required, the employee's statement shall list the name and address of the attending physician and the dates when consulted. If hospitalized for a period in excess of two (2) days, or on authorized sick leave for more than ten (10) consecutive days, the employee shall provide the Director of Human Resources, when requested, with a physician's statement indicating that the employee's medical condition is such that the employee can resume all assigned duties. Nothing in this section shall be construed to waive the physician-patient privilege provided by O.R.C. 2317.02.

If an employee faces illness that may require extended absence from the district, that employee is encouraged to notify the Human Resources Office or an MTA representative to learn of the options that are available regarding use of sick leave or disability.

- 6.2 **MEDICAL LEAVE OF ABSENCE** – When an employee has exhausted his/her accumulated sick leave and is still unable to return to work for the reasons enumerated in sick leave policy, the Board of Education will, upon proper application of the employee, place the employee on medical leave of absence.

Such a leave will begin on the day that the accumulated sick leave reaches zero and the employee has no earnings due, and will be for not less than the balance of the current school year or current school semester whichever is shorter and for a maximum period of not more than two (2) consecutive school years in addition to the remainder of the semester during which it commences. While on medical leave of absence, the employee ceases to accumulate sick leave. The Board of Education will, however, pay its full share of the employee's hospitalization and major medical insurance and group term life premiums falling due and payable prior to the end of the month during which the medical leave begins. An employee may request emergency short-term medical leave for a total period not to exceed thirty (30) calendar days, in which case all fringe benefits will be maintained by the Board, and the employee shall return to the position temporarily vacated. A condition precedent to the granting of any such short-term emergency medical leave shall be the providing by the employee of a doctor's certificate indicating both the necessity for such leave and the reasonableness of anticipated return within thirty (30) days. Should the employee in question be unable to return to full-time responsibilities upon completion of said thirty (30) day period, he/she must request regular medical leave in accordance with the terms of the remainder of this policy.

An employee on medical leave of absence will be carried on payroll records as required by 3313.202, Ohio Revised Code. An employee shall be paid in full the balance due him/her in his/her last check with appropriate deductions made for federal withholding tax, state income tax, city income tax, retirement contribution, insurance, dues, etc.

While an employee is on medical leave of absence, the Board will pay its share of the employee's total fringe benefit package for the following periods: employees with zero (0) to three (3) years in-district experience – three (3) months in any one calendar year; those with over three (3) but not over five (5) years experience – six (6) months in any one calendar year; and those with more than five (5) years – one (1) year; thereafter any such employee will be given the opportunity of participating in the hospitalization/health care insurance and group term life programs by forwarding a check or checks for both the Board's portion and the employee's and family portion (when applicable) to cover the full cost of said insurance program(s). The Human Resources Department will process all leave and requests for insurance coverage. Checks must be in the Treasurer's Office not later than the twenty-fifth (25<sup>th</sup>) day of the month in order to continue the insurance in force. The employee may also forward funds required to carry on his/her other fringe benefits, such as health and accident insurance. The checks for fringe benefits are to be made out to the company involved; the Treasurer's Office will forward these checks to the specified company.

An employee on medical leave of absence who intends and desires to return to work at the beginning of the next school year or semester shall file an application for reinstatement by February 1 for the next school year and November 1 for the second semester, even if it is possible that said return may not become medically feasible.

The application must be accompanied by a physician's statement indicating the employee's medical condition is or may be reasonably anticipated to be such that the employee is capable of returning to work. At the employee's option, said statement may be provided on the actual return date in which case it shall provide assurance of medical fitness to carry out assigned duties and responsibilities. It shall be the duty of the employee to notify the Director of Human Resources in writing of such intention to return to duty. Failure to actually return to work due to continuing medical disability shall not be cause to seek cancellation of certification or unused sick leave. Upon return to service, the employee shall resume the contract status held prior to the medical leave of absence.

The employee will be assigned to the same position if it is available or a substantially equivalent position to the one he/she held prior to the leave unless no such position is available in which case he/she will be assigned to a position within his/her area(s) of certification. In accordance with the criteria established in policy and as has been the practice in the past, every effort will be made to arrive at a mutually agreeable assignment.

An employee who desires to return to work prior to the beginning of the next school year may inform the Director of Human Resources in writing of such interest. This expression of interest must be accompanied by the physician's statement indicating the employee's medical condition is such that all assigned duties can be resumed. The Director of Human Resources will consider the placement of an employee for any position which becomes vacant and for which the employee has the proper and necessary qualifications. The employee has, however, no assurance of any position prior to the regularly established reinstatement time as defined herein, but will be given preference in the filling of any position within his/her area(s) of certification.

**SICK LEAVE BANK** - In cases of personal hardship to a bargaining unit member brought on by a catastrophic illness or injury, where the bargaining unit member has exhausted all accumulated, unused sick leave and all personal leave days, the Board and MTA may enter into an agreement to assist the affected bargaining unit member through the donation of accumulated, unused sick leave by other bargaining unit members who volunteer to do so. Any decisions made by the Board and the MTA under this section shall not be subject to the grievance and arbitration provisions of Article 7 of this Agreement.

### **Sick Leave Bank Process**

A bargaining unit member may be granted additional sick leave days through the donation of accumulated unused sick leave by bargaining unit members who volunteer to do so in accordance with the following process:

- 1) For purposes of this procedure, the term "catastrophic illness or injury" shall include only those illnesses or injuries which are calamitous in nature, constituting a great misfortune.

- 2) A joint MTA/Board Committee consisting of two (2) bargaining unit members appointed by the MTA and two (2) administrators shall be appointed on a yearly basis to review requests under this provision.
  - 3) Applications for catastrophic illness/injury sick leave donation must be submitted to the Director of Human Resources. Applications should include the following information:
    - 1) Nature of illness/injury.
    - 2) Physician(s) statement as to the condition and the need for sick leave.
    - 3) Projected date of return to duty.
    - 4) Any other pertinent information that applicant can submit to the committee for its consideration.
  - 4) Prior to granting the request, the committee shall also review the bargaining unit member's attendance record with the district.
  - 5) At the beginning of each school year, the Director of Human Resources shall send a memo to all bargaining unit members asking if the member wants to make a donation to the sick leave bank. One (1) day shall be added to the bank per each two (2) days donated. Donations to the sick leave bank by MTA members shall be calculated as follows:
    - Two (2) sick leave days equals one (1) sick bank day, or
    - Four (4) sick leave days equals two (2) sick bank days
- A maximum of four (4) member sick days may be given in one (1) school year no matter if the request falls under item 8. or 9. of this Agreement. In order to donate an individual must still maintain a sick leave balance of at least ten (10) days, after subtracting the donated days. Donations shall be irrevocable; days will not be returned to the donor under any circumstances.
- 6) The individual must have exhausted all paid leave prior to receiving any donated days.
  - 7) Once a member becomes eligible for STRS disability retirement, he/she is no longer eligible to receive donated days. If an employee is approved retroactively for disability retirement benefits, the employee shall repay the District, to the credit of the sick leave bank, the amount of monies received in disability payments for the period he/she received sick bank day compensation.
  - 8) A bargaining unit member who chooses to maintain confidentiality and not disclose his/her name to the membership shall submit his/her request to the Sick Leave Bank Committee. The committee shall meet and make a determination regarding the request. Should the bargaining unit member be

granted his/her request, the days shall be pulled from a standing sick leave bank.

- 9) A bargaining unit member may choose to disclose his/her name to the membership when submitting his/her request to the Sick Leave Bank Committee. If the committee approves the request, a memo shall go out to the membership requesting donations in the MTA member's name. A sick leave bank in the MTA member's name shall be established.
- 10) The bargaining unit member shall be informed of the committee's decision to grant or deny the request and the decision of the committee shall be final.
- 11) Any unused sick leave days shall go back to the standing sick leave bank.
- 12) Any unused sick leave days remaining in the standing sick leave bank shall carry over into each new school year.
- 13) Bargaining unit members may be issued a maximum of forty-five (45) sick leave bank days for their entire tenure with Mentor Schools.
- 14) Accumulated sick leave shall be transferred day for day regardless of differing pay scales.
- 15) All information and reports relating to applications under this policy shall remain confidential.

### 6.3 **PARENTAL LEAVE**

6.3.1 **Parental Leave** – Employees of the Mentor Public Schools System who become pregnant, who are adopting or assuming legal custody of a child under the age of five (5) and who desire to return to work at a future date shall be granted a parental leave.

6.3.1.1 Paid sick leave for the bargaining unit member who gives birth or adopts or assumes legal custody of a child under the age of two (2) years old shall not exceed eight (8) consecutive weeks, from the date of birth unless medical complications, due to child birth, as verified with medical documentation, require longer use of sick leave.

6.3.1.2 Paid sick leave for the bargaining unit member who adopts or assumes legal custody of a child between the age of two and five years old shall not exceed four (4) consecutive calendar weeks from the date of adoption or assumption of legal custody.

Exceptional circumstances for the adoption of a child between the ages of two (2) and five (5) years of age can be granted per appointment with the superintendent and association president to extend the paid sick leave up to eight (8) weeks. The superintendent shall have the final determination.

- 6.3.1.3 Paid sick leave for a bargaining unit member who fathers a child and who has responsibilities for the care of the child or mother of the child shall not exceed four (4) weeks from the child's date of birth.
- 6.3.1.4 This paid parental leave, under each circumstance above, shall not carry over through the summer months or other breaks in the school calendar. Therefore, as an example, if an employee gives birth on May 15, she may take paid parental leave only through the end of that school year and shall not be entitled to additional paid leave upon commencement of school in the following school year. Likewise, if a child is born to a father on the last day of school, he may take paid leave for that day, but does not carry over additional days of paid parental leave into the following school year.
- 6.3.1.5 A parental leave shall be a leave without pay and shall be available to bargaining unit members for maternity, paternity or adoption purposes. This unpaid parental leave may commence at any time during the period between commencement of pregnancy and the end of the pregnancy disability associated with the birth of the child or at the time of the adoption of the child. Such leave shall be for a period up to one (1) school year renewable for one (1) additional school year. Any such request for renewal shall be granted upon proper application. No part of this provision shall deny employees their rights under the Family and Medical Leave Act.
- 6.3.2 **Application for Leave** – Applications for parental leave shall be in writing, directed to the Director of Human Resources on the proper form, and shall contain the date on which the leave of absence is to commence. Application for parental leave shall be made at the earliest possible time but shall not be later than the thirtieth (30th) day before the beginning of the parental leave except in cases of emergency or those owing to circumstances which could not reasonably be anticipated thirty (30) days in advance. The employee's failure to make a timely application should not be reason for refusal.
- 6.3.3 **Fringe Benefits** – Teachers on unpaid parental leave will be given the opportunity of continuing in the hospitalization/health care insurance and group term life insurance programs by forwarding a check or checks for both the Board's portion and the employee and family portion (when applicable) to cover the full cost of said insurance programs. The Human Resources Office will process all leaves and requests for insurance coverage. Checks must be in the Treasurer's Office not later than the twenty-fifth (25th) day of the month in order to continue the insurance in force. The employee may also forward funds required to carry on his/her other fringe benefits such as health and accident insurance. The checks for fringe benefits are to be made out to the company involved; the Treasurer's Office will forward these checks to the specified company.

A teacher who is on active pay status for one hundred twenty (120) days and uses unpaid parental leave which commences prior to the end of that school year shall be reimbursed by the Board one half (1/2) of the insurance

payments that said teacher paid for June, July, and August of that school year, provided said teacher returns to work at the beginning of the next school year. Reimbursement shall be within thirty (30) days of the teacher's return to work.

- 6.3.4 **Reinstatement Application** – An employee on an unpaid parental leave who desires to return to work at the beginning of the next school year shall file an application for reinstatement by April 1 preceding the leave expiration date. The application, where applicable, must be accompanied by a physician's statement indicating the employee's medical condition is such that he/she is capable of returning to work. Failure to make timely application shall not be a basis for a denial of reinstatement if a suitable position is available.

An employee who desires to return prior to the beginning of the next school year may inform the Director of Human Resources in writing of his/her interest. This expression of interest must be accompanied, where applicable, by a physician's statement indicating the employee's medical condition is such that he/she can resume all assigned duties. Teachers who satisfy the requirements expressed herein may be returned either at the beginning of a grading period or at the winter/holiday break.

- 6.3.5 **Reinstatement** – Upon application for return from approved parental leave, the employee will be assigned to the same position if available or to a substantially equivalent position to the one he/she held prior to the leave unless no such position is available in which case he/she will be assigned to a position within his/her area(s) of certification.

In accordance with the criteria established herein and as has been the practice in the past, every effort will be made to arrive at a mutually agreeable assignment.

An employee who desires to return to work prior to the beginning of the next school year may inform the Director of Human Resources in writing of such interest. The Director of Human Resources will consider the placement of an employee for any position which becomes vacant and for which the employee has the proper and necessary qualifications. The employee has, however, no assurance of any position prior to the regularly established reinstatement time as defined herein, but will be given preference in the filling of any position within his/her area(s) of certification.

In respect only to this parental leave, applicable judicial decisions and statutes will be followed with regard to termination, nonrenewal, or failure to issue any limited or continuing contract for regular teaching duties, supplemental duties, or administrative duties.

- 6.4 **PERSONAL LEAVE** – The Board of Education believes that employees, considering the best interests of the students, will make every effort to use

discretion in the use of personal leave. Within this context personal leave will be granted for the reasons stipulated in the Rules and Regulations below.

- 6.4.1 **Rules and Regulations** – Any certified/licensed staff member may be absent without loss of pay a maximum of four (4) days in any school year to transact necessary and urgent personal business which cannot be conducted outside the regular school day, to attend to affairs of a personal nature which cannot be conducted outside the regular school day, and for other reasons that fall within the intent of this provision. Two (2) additional days per year shall be available to bargaining unit members for days where the tenets of their recognized religion require a total abstinence from work.

Personal leave shall not be used in place of professional leave, to provide vacations, for recreation, for social or fraternal functions, or to engage in or seek other employment, or to attend business trips with a spouse.

Personal leave knowingly utilized in violation of this policy shall be considered as insubordination as defined in O.R.C. 3319.16 and shall result in appropriate disciplinary action, up to and including contract termination.

Reasons for requesting personal leave must fall within one of the four categories enumerated below:

- a. To transact personal business.
- b. Bereavement not covered by the sick leave policy.
- c. Emergency beyond the employee's control. Such circumstances are defined as certain broad events that cannot be anticipated or avoided.
- d. Other good and just causes. (This shall also include a once in a lifetime event which must be specified and which shall be subject to prior approval). Section 6.4.1.d. is not subject to the grievance procedure.
- e. Applications for personal leave requests, submitted under provisions of Section 6.4.1.b. – Bereavement, and c. – Emergency, do not have to be submitted five (5) days prior to the day of the proposed leave.
- f. The Mentor Exempted Village Board of Education and the Mentor Teachers Association agree that in the event of a death of a staff member, staff member's spouse/child, or a student associated with a particular building, in which members of the bargaining unit in that building wish to attend services for the deceased, the following will be the procedures:
  - Teachers who desire to attend services for the above deceased will notify the building principal.

- The building principal will contact the Human Resources office with the names of the staff members, date, and time substitute teachers are needed.
- The Human Resources office will provide as many of the requested substitute teachers for the staff members requested as possible. The staff members will submit personal leave request forms for one-quarter day or for the amount of time applicable.
- The Human Resources office will contact the building principal and inform him/her of the number of substitutes scheduled.
- Staff members for whom a substitute teacher could not be scheduled for coverage, may attend the service (and will be required to submit for one-quarter personal leave or the amount of time applicable) if the principal can procure an internal substitute who will cover a class Teachers covering classes will be paid the appropriate internal coverage stipend.

6.4.2 **Procedures to be Followed** – Approval of the request shall be dependent upon compliance with the following:

- a. The employee must submit a properly completed personal leave request using the online substitute management system at least five (5) school days prior to the actual date of the proposed leave. Written reason(s) must be submitted for approval of the Director of Human Resources for personal leave requests during the last twenty (20) work days of the school year.
- b. Requests for two (2) or more consecutive days of personal leave, or requests to extend holidays or recesses, must specifically state in detail the reason for the request and are subject to the approval of the Director of Human Resources.
- c. Requests for single days of personal leave shall be approved based upon the checking of categories a., b., or c., and timely submission.
- d. Applications submitted under provisions of Section 6.4.1.d. above, must state the specific reason for the leave, be submitted at least five (5) days prior to the day of the proposed leave, and be approved by the Director of Human Resources.

All personal leave requests will be processed through the building principal or the appropriate supervisor and will be forwarded to the Director of Human Resources. In reviewing all requests the Director of Human Resources will render the final approval or disapproval where required.

A member may roll unused accrued personal leave days, not including the two (2) specific days available for religious observance, into accumulated sick leave up to the maximum accrual established in Article 6.1. The roll over will occur at the end of the school year.

## 6.5 **MILITARY LEAVE**

- 6.5.1 Any teacher who has left or leaves a teaching position, by resignation or otherwise excluding contract termination or nonrenewal, and within forty (40) school days thereafter entered, or enters, the armed services of the United States or the auxiliaries thereof, or such other services as are specified in Section 143.22 of the Ohio Revised Code is eligible for a military leave of absence. Application for military leave should be directed to the Director of Human Resources and accompanied by enlistment documents.

Staff members granted military leave of absence who receive a discharge other than dishonorable shall be reemployed by the Mentor Board of Education under the same type of contract as that which (s)he last held in the Mentor School District, if the teacher shall, within ninety (90) days after the discharge, apply to the Mentor Board of Education for reemployment. Upon such application, accompanied by a copy of the discharge papers, the teacher shall be reemployed on the first day of the next school semester, if the application is made not less than thirty (30) days prior to the first day of the next school semester, in which case the teacher shall be reemployed the first day of the following school year.

For the purposes of seniority and placement on the salary schedule, years of absence in the service of the armed services of the United States or the auxiliaries thereof shall be counted as though teaching service has been performed during such time. The Mentor Board of Education may suspend the contract of the teacher whose services become unnecessary by reason of the return of a teacher from service in the armed services or auxiliaries thereof in accordance with the Ohio Revised Code.

### 6.5.2 **Induction/Reservists Called to Active Duty**

- a. **Statutory Compensation** – Employees inducted or called to active duty in the armed forces shall be entitled to a leave of absence without loss of base compensation for a period of thirty-one (31) calendar days per year pursuant to Ohio Revised Code Section 5923.05, unless the amount or duration of such compensation shall be modified pursuant to a collective bargaining agreement or subsequent legislative enactment.
- b. **Compensation Differential** – Employees inducted or called to active duty in the armed forces shall be further entitled to additional compensation for periods beyond the initial statutorily mandated thirty-one (31) calendar day period described in Section "a." in an amount equal to the amount by which an employee's base salary exceeds

active duty military compensation, including basic allowance for quarters and basic allowance for subsistence, payable during the employee's absence for a total period, including statutory compensation, not to exceed twelve (12) months from the date an employee's call-up begins.

- c. **Continuation of Benefits** – Any employee inducted or called to active military duty shall be permitted to continue participating in all employee benefit programs offered by the District for a period not to exceed twelve (12) months commencing with the date an employee's call-up begins, if the employee so elects. The District and the employee shall continue to be responsible for the respective portion of the premiums or payments due for such benefits as prior to the employee's entry into military duty. The employee portion of premiums and payments shall continue to be paid on the basis of a payroll deduction throughout the period in which the employee is entitled to receive statutory or continuing compensation as described in Section "a." and "b." from the District. However, if an employee's compensation is insufficient to meet benefit expenses by payroll deduction, the District shall forward to the employee the appropriate billing statement for the amount owed for the employee's portion of that benefit. This continuation of benefits shall not apply to any benefit, which by its terms excludes periods of military duty, including, but not limited to, life insurance policies containing a war time exclusion.
  
- d. **Re-employment Rights** – Employees returning from military duty shall be entitled to re-employment with the District. To be eligible for re-employment, an employee who served on active duty for ninety (90) days or more must apply for restoration of employment within ninety (90) days after relief from military duty or release from a period of hospitalization of not more than one (1) year, furnish proof of a discharge other than dishonorable conditions, and be physically qualified to perform the duties of such former position. For periods of active duty less than ninety (90) days, the time for application for re-employment shall be within thirty-one (31) days after relief from military duty or release from a period of hospitalization of not more than one (1) year. Re-employment shall commence at the earliest possible time, but no later than thirty (30) days following the application for re-employment. An employee who is unable to perform former duties by reason of disability shall be placed in another position for which the employee is qualified and which provides the closest approximation of seniority, status, pay, and ability to carry out the assigned duties.
  
- e. **Rights Upon Restoration of Re-employment** – In addition to such other rights as may be granted pursuant to state or federal law, an employee shall be entitled upon restoration of employment to the seniority status which would have accrued if the employee had remained continuously employed during the military leave of absence, including total experience credit with the District.

- f. **State Retirement Funds** – The District and the employee shall continue to contribute to the State Teachers Retirement System (STRS) based on the amount of compensation actually paid to the employee during the military leave of absence, subject to any subsequent legislative enactment.

## 6.6 **PROFESSIONAL LEAVE**

- 6.6.1 **Professional Leave** – All employees shall be provided opportunities for the development of increased competence beyond that which they may attain through the performance of their assigned duties. In light of their impact upon the lives of students, and in keeping with the breadth of experience and depth of training that they possess, opportunities for the staff shall be especially rich and varied.

The Superintendent shall provide the staff with opportunities in areas such as the following:

- a. Released time and leaves of absence for travel and study.
- b. Visits to other classrooms and other schools.
- c. Conferences involving other personnel from the district, county, state, region, or nation.
- d. Membership on committees drawing personnel from such sources.
- e. Training in classes and workshops offered within the district.
- f. Further training in institutions of higher learning.

- 6.6.2 **Rules and Regulations** – Staff members requesting professional leave shall submit an InService Form for such leave at least ten (10) school days in advance of the activity to the Superintendent or to such administrative official as shall be designated in writing from time to time by the Superintendent. For purposes of this policy, professional leave shall be used for the above listed reasons and for such other activities as shall be specifically approved by the Superintendent.

The application for leave, approved or not approved, will be returned to the applicant within five (5) school days after the application is received by the appropriate Administrator. When a request is denied, an applicant may ask that it be reconsidered. When an application for professional leave is denied, the reason(s), if requested, for the denial will be given to the applicant in writing.

The participant shall receive his/her regular compensation for the day(s) excused for purposes of attending such activity. Dependent upon the purpose of the activity, the participant shall receive reimbursement for reasonable and necessary expenses in full or in part from the Board of Education from the appropriate fund of the school district. A request for Board of Education reimbursement must be filed in accordance with established procedures upon submission of appropriate statements of expenses.

A staff member participating in a professional leave activity will be expected to develop a resume of the significant activities or events that can be shared with other members of the staff.

Except for procedural issues or claim(s) of discrimination relating to Association membership/activity, no element of this professional leave policy shall be subject to the grievance procedure.

## **6.7 LEAVE OF ABSENCE FOR PROFESSIONAL IMPROVEMENT**

- 6.7.1 Any employee who has completed five (5) or more years of continuous teaching service in the Mentor Schools may be granted, with the permission of the Board of Education upon the recommendation of the Superintendent, a leave of absence for professional improvement for either one (1) or two (2) semesters.
- 6.7.2 The teacher shall present to the Superintendent for approval a plan for professional growth prior to such a grant of permission, and at the conclusion of the leave provide evidence that the plan was followed. The teacher shall return to the district for at least two (2) years following the leave for professional improvement.
- 6.7.3 No such leave shall be granted unless a satisfactory substitute is available, nor shall such leave be granted to more than five percent (5%) of the professional staff at any one time. No such leave shall be granted to a teacher more often than once for each five (5) years of service, nor shall such leave be granted a second time to the same teacher when other members of the staff have filed a request for such leave.
- 6.7.4 Each certificated employee who meets the requirements and is granted a sabbatical leave may elect to have the year count as a year of service by having his/her share of retirement payments deducted from the leave pay. The salary base for these payments will be the same salary that the person would have received during the year for which the sabbatical leave was granted.
- 6.7.5 The employee must make the necessary application to the State Teachers Retirement System for approval of retirement fund payments during the

leave of absence. The Board will furnish the necessary information to accompany the application.

- 6.7.6 The Board of Education will remunerate the teacher on leave of absence for professional improvement the difference, if any, between the replacement teacher's salary and the salary of the teacher on leave. After Board approval, individual teachers shall have the right to waive this provision.
  - 6.7.7 Failure on the employee's part to return for two (2) years following this leave shall entitle the Board to take action to recover remuneration paid him/her while on leave.
  - 6.7.8 Upon return from leave of absence for professional improvement, the teacher's placement on the salary schedule will be commensurate with his/her years of teaching service and verified level of training.
  - 6.7.9 A teacher may be granted a leave of absence for professional improvement after three (3) years of service in the Mentor System provided that the aforementioned criteria has been met by the applicant. Further, such applicant would not be eligible for financial remuneration as set forth in paragraph 6.
  - 6.7.10 Except for procedural issues or claim(s) of discrimination relating to Association membership/activity, no element of this leave of absence for professional improvement policy shall be subject to the grievance procedure.
- 6.8 **LEAVES WITHOUT PAY** – The Board recognizes that there may be occasions causing an individual to request a short-term leave from his/her assigned responsibilities which does not fall within the provisions of the sick leave, personal leave, or professional leave policies and would, therefore, be without compensation. Such requests will be denied except where there is a clear indication of extenuating circumstances. Leaves without pay will be approved for employees who have job interviews that could not be scheduled outside the established school calendar and/or workday. Leaves without pay will be approved for employees who are candidates and choose to campaign for an elected office on Election Day. The Director of Human Resources shall have the discretion to grant leave without pay for good and just cause. The decision shall be final and non-grievable.
- 6.9 **ASSAULT LEAVE** – An employee who is physically and/or psychologically assaulted as a result of employment shall be provided assault leave and sign a written release to permit the Director of Human Resources to consult with a physician on the sole issue of the physician's professional opinion regarding the need for assault leave. The initial authorization of assault leave shall be for up to forty-five (45) working days.

- 6.9.1 The employee who has been assaulted must furnish a written, signed statement on forms provided by the Board to justify the use of assault leave and sign a written release to permit the Director of Human Resources to consult with a physician on the sole issue of the physician's professional opinion regarding the need for assault leave. The initial authorization of assault leave shall be for up to forty-five (45) working days.
- 6.9.2 The employee who has been assaulted must file an assault complaint with appropriate officials, including a police report, in the appropriate jurisdiction unless evidence is presented by a physician and/or a psychiatrist that the involved staff member's physical or mental health would be impaired by subsequent court appearances. In an effort to support the assaulted employee's safe return to work, the Board will pursue strategies to minimize contact between the assaulted employee and the assaulting party in accordance with law.
- 6.9.3 A certificate from a licensed physician stating the nature of the disability and its duration from a licensed physician shall be required before assault leave can be approved for payment.
- 6.9.4 If requested by the Director of Human Resources and if the assault leave will extend beyond forty-five (45) working days, the Director of Human Resources may ask the employee to furnish a certificate from the original licensed physician stating the nature of the disability and its duration. The Director of Human Resources may request a second opinion(s), at Board expense, following each time the employee furnishes the certificate from a licensed physician stating the nature of the disability and its duration. The Board, at its expense, shall consult an occupational health service to select an appropriate physician to provide a second opinion. If there is a disagreement between the original physician and Board physician, the two physicians will be asked to select a third physician, at Board expense, to provide a final decision.
- 6.9.5 Assault leave granted under these regulations shall not be charged under sick leave earned or earnable under Section 3319.141 of the Ohio Revised Code or leave granted under regulations adopted by the Board of Education pursuant to Section 3319.08 of the Ohio Revised Code. Likewise, if an employee is subpoenaed to make court appearances related to the assault, assault leave days shall be granted. However, any remuneration received for serving the court will be disbursed to the Board of Education by the employee, exclusive of parking fees, mileage, and meal expenses.
- 6.9.6 In the case of an assault on an employee as a result of employment of the Board of Education for which Worker's Compensation or disability compensation under the State Teachers Retirement System is paid, the Board will pay the difference between the Worker's Compensation or disability payment and the employee's daily rate, for a period not to exceed

one (1) year. In addition, the Board will pay the monthly premium on the medical plan, major medical, and group life insurance pursuant to law.

6.9.7 Falsification of either a signed statement or a physician's certificate is grounds for suspension or termination of employment under Section 3319.16 of the Ohio Revised Code.

6.10 **RETENTION OF INSURED FRINGES** – Under the condition of a qualifying event as defined by the Consolidated Omnibus Budget Reconciliation Act of 1985, any affected teacher shall be entitled to at least the benefits outlined by the Act.

#### 6.11 **COURT/JURY DUTY LEAVE**

6.11.1 In the case of jury duty or court appearance as the result of employment by the Board of Education, no deductions shall be made from the employee's accumulated sick leave or personal leave. Pay for days of such absences will be at the employee's regular daily rate. Court appearance as a result of employment does not include any appearance where the employee is a plaintiff, except as a plaintiff in assault leave under Section 6.11.2.

6.11.2 When an employee is subpoenaed to appear in court for purposes other than as described in 6.11.1, and has exhausted his/her allocated personal leave, sick leave shall be utilized for this situation.

6.11.3 When an employee is subpoenaed by a court to testify as a witness in a proceeding, where the only connection to the legal action is the employee's exercise of good citizenship in witnessing an accident or crime, the Director of Human Resources shall have the choice of granting "Court Leave" instead of using the employee's personal leave and/or sick leave.

6.11.4 Any remuneration received for serving as a juror or witness will be disbursed to the Board of Education by the employee, exclusive of parking fees, mileage, and meal expenses.

6.12 **FAMILY AND MEDICAL LEAVE (FMLA)** – An employee who has worked twelve hundred fifty (1250) hours or more during the twelve (12) month period preceding the commencement of the leave shall have the right to take Family and Medical Leave according to the terms of Board Policy Number 3.03 which is incorporated into this Agreement. FMLA leave entitles the employee to have up to twelve (12) work weeks of unpaid leave for the birth or care of a child, the adoption or foster care of a child, the care of a spouse, son, daughter, or parent if such individual has a serious health condition or for the employee's serious health condition which disables him/her from performing the functions of his/her position. To the extent that provisions of the FMLA leave are covered by other leaves provided in the negotiated agreement or other Board-approved documents, the twelve (12) weeks of leave and benefit coverage under the FMLA leave policy shall run concurrently with other existing benefits. In the case of parental leave, paid sick leave is limited to eight (8) weeks and must end no later than twelve (12) weeks following delivery

or receipt of custody unless medical complications require longer use of sick leave.

Although FMLA leave is available for the birth, adoption or foster care of a child, an employee shall be required to take FMLA leave concurrent with other leaves available under the negotiated agreement for prenatal care pregnancy, illness associated with pregnancy, court appearances, or other circumstances related to the adoption of a child or placement of a foster child. The Board of Education shall pay its share of the fringe benefit package to any eligible employee who is granted a parental leave for any portion of the twelve (12) week period not used under any other leave provision within the negotiated agreement. The District will use the applicable Department of Labor FMLA-related forms for the process.

This provision satisfies the Board's notice requirement under FMLA.

## ARTICLE 7 – GRIEVANCE PROCEDURE

### 7.1 DEFINITIONS

- 7.1.1 For the purposes of this Agreement, the term "grievance" shall be defined as a dispute between the Board and (an) employee(s) concerning the interpretation and/or application of, or compliance with, an express, specific provision of this Agreement. This grievance procedure shall be the exclusive full grievance procedure for use by employees within the bargaining unit, without regard to whether they are members of the Association. It is the intent of the Board and the Association that grievances be resolved at the lowest administrative level and in the shortest practicable time. All such proceedings shall be confidential. Grievances shall be processed on the Grievance Procedure form.
- 7.1.2 The term "days" when used in this document shall mean working days unless otherwise indicated. Thus, weekends, vacation days, holidays, program closing days, and shut down days are excluded.
- 7.1.3 The term "immediate supervisor" shall be defined as the lowest level proper administrative authority who has the authority to make a decision resolving the grievance. If the administrative authority to whom the grievance is presented believes that the grievance has been filed at too high a level, and that he/she is not the "immediate supervisor," he/she may remand the grievance to the appropriate lower level.
- 7.1.4 The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances. The proceedings shall be kept as informal and confidential as may be appropriate at all levels of the procedure.
- 7.1.5 The steps may not be bypassed except by mutual written agreement. However, the administrative authority to whom a grievance is incorrectly presented may accept the grievance as having been filed at the appropriate level even if it was not and that administrative authority becomes the "immediate supervisor" for purposes of this Article.
- 7.2 **STEP I** – An employee seeking to initiate steps under this procedure shall, within twenty (20) working days of the time the grievant knew or should have known of the occurrence which constitutes the basis of the grievance, inform his/her immediate supervisor in writing on the specified form of the nature of and basis for the grievance and the adjustments which he/she seeks. The immediate supervisor shall schedule a conference within five (5) days of the receipt of the request for review. At the grievance conference, the grievant shall have full opportunity to present relevant facts, information, and any other data relating to the grievance.

Within five (5) days after the conclusion of the grievance hearing, the immediate supervisor shall inform, in writing, the grievant of the decision. A copy of the

decision will be supplied to all parties and representatives in attendance at the grievance conference.

- 7.3 **STEP II** – If the grievance is not resolved at Step I, or if the time limit for the immediate supervisor's response is not met, the Association may process the grievance to the Superintendent, or the designated representative, within five (5) days after the receipt of the Step I answer. The Superintendent, or the designated representative, shall arrange for a meeting with the Association representative and the aggrieved employee. The meeting is to take place within seven (7) days of receipt of the appeal or at a mutually agreeable date and time established by the parties. Each party shall have the right to present at such meeting such witnesses as the party deems necessary to develop facts pertinent to the grievance. Upon conclusion of the hearing, the Superintendent or his/her designee shall have five (5) days in which to provide a written decision to the Association.

Should the parties elect to proceed to Step III, A, Facilitation, below, the time lines shall be modified to allow for this option.

7.4 **STEP III**

**A – FACILITATION (OPTIONAL)**

1. If, after receiving the answer at Step II, the employee remains aggrieved, the Association may choose to pursue the facilitation option. If the Association so chooses, the Association shall submit a written request for facilitation to the Superintendent within ten (10) days of receiving the Step II decision.
2. Within five (5) days of receiving the request for facilitation, the Superintendent or his/her designee shall consult with the Association regarding the Board's amenability to facilitation.
3. If the parties agree to the facilitation option, the Board and the Association shall contact a third party facilitator, which may include Federal Mediation and Conciliation Services, to schedule a facilitation meeting.
4. At the first date available to the facilitator and to the parties, but not later than fifteen (15) days after the parties agreed to seek facilitation, the parties shall meet with the facilitator and submit to him/her the issues set forth in the grievance.
5. Time lines may be extended by mutual consent.
6. If the facilitation process is not successful and the employee remains aggrieved, within ten (10) days of the date of the facilitation meeting the Association may proceed to Step III, B., by submitting to the Superintendent a written notice of its intent to submit the grievance to arbitration. The time lines and procedures set forth in Step II, B., shall be followed.

## **B – ARBITRATION**

If the grievance has not been resolved through the preceding procedure within the time prescribed in Step II, then the Association may submit the grievance to arbitration by giving written notice to the Superintendent of its intent to do so within ten (10) days from the receipt of the Superintendent's response. The parties shall first attempt to agree upon an impartial arbitrator to hear the grievance. If the parties are unable to agree within five (5) days from the Superintendent's receipt of the Association's appeal to arbitration, the Association shall then request the American Arbitration Association to administer the proceedings under the Voluntary Labor Arbitration Rules of that Association. The decision of the arbitrator shall be binding to both parties.

1. **Authority of Arbitrator** – The jurisdiction of the arbitrator is specifically limited to resolution of grievances, as defined herein, arising out of a specific express provision of this Agreement.

The arbitrator is specifically prohibited from making any decision inconsistent with the terms of this Agreement. Further, the arbitrator is prohibited from having the power to add to or subtract from, or alter the terms of this Agreement. The arbitrator shall make no findings, recommendations, suggestions, or offer any opinion inconsistent with the limitations set forth in this Agreement.

2. **Costs of Arbitration** – Each party shall bear the full cost for its representation in the arbitration proceedings. The costs and expenses of the arbitrator and the American Arbitration Association shall be borne by the loser of the grievance or as directed by the arbitrator.
3. **Transcripts** – Should either party desire a transcript of the proceedings, that party shall bear the full cost for that transcript. Should both parties request a transcript, then the costs for the transcripts shall be divided equally between the parties.

### **7.5 GENERAL PROCEDURES**

7.5.1 A grievance shall be filed only by the grievant which may be an individual employee, a class of employees, or the Association. Grievances arising out of the same or similar circumstances affecting more than one member may be filed as a class action grievance. Class action or association grievances may not be used to revive untimely individual claims. All class action grievances shall be signed by the President of the Association to verify that a member(s) of the bargaining unit is affected. The President of the Association shall sign all Association grievances.

7.5.2 Any time limits specified herein may be shortened or extended by written agreement of the parties.

- 7.5.3 When the stipulated time limits are not met by the administration, the grievant shall have the right to appeal the grievance to the next level of this procedure. If the grievant fails to timely file the grievance or forward the grievance to the next level within the stipulated time designated at each level, the grievant shall automatically waive the rights to pursue the grievance.
- 7.5.4 If a grievance arises from the actions of an authority other than the immediate supervisor or is concerned with system wide practice consistent with this Agreement, it may be submitted at Step II of this procedure.
- 7.5.5 Upon appeal, all documents and records accumulated at each level will be forwarded for consideration at the next higher level.
- 7.5.6 The administration and the grievant shall furnish such relevant and specified available information as is requested and necessary by either party and not proscribed by law or Board policy for the processing of a grievance.
- 7.5.7 Hearings held under this procedure shall be conducted at a time and place that will afford a fair and reasonable opportunity for all persons, including witnesses, entitled to be present to attend.
- 7.6 **RECORDKEEPING** – All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel file of any employee involved.
- 7.7 **RIGHTS TO REPRESENTATION** – Both parties have the right to legal counsel at all levels of the procedure beginning at Step II at the party's own expense. The grievant shall have the right to an Association representative at all levels beginning at Step I. To the extent practical, hearings will be scheduled to avoid conflict with work schedules. Arbitration hearings shall be held at a mutually agreed time and place. If attendance is required, employees will not be docked.
- 7.8 **NO REPRISAL** – No reprisals of any kind shall be taken against any party or any member of the bargaining unit for having utilized his/her rights under this grievance procedure. Similarly, no member of the bargaining unit shall be subjected to any harassment or discipline on account of testimony offered during the course of any stage of the grievance procedure.

The Mentor Board of Education and the Mentor Teachers Association agree to meet at least four (4) times a year over the term of this contract to discuss District-wide mutual problems and concerns.

Composition of the committee shall be for the Board: The Superintendent and other designees based on the agenda and needs of the meeting; and for the Association: The President and other designated representatives based on the agenda and needs of the meeting. The committee at its first meeting shall develop a set of protocols by which these meetings are to be conducted. The Superintendent, after consultation with the President, shall convene the first meeting by October 15, at which time the calendar shall be developed. Timeline and frequency of meetings may be changed by mutual agreement between Superintendent and the MTA President.

At the beginning of each meeting the committee will review prior action steps. At the end of each meeting of the DMPSC the committee will identify agreed-upon actions, who will be responsible for implementing the actions, and the time line for implementation.

- 9.1 **DURATION** – This Agreement shall be effective August 1, 2017 and shall remain in effect July 31, 2020. The parties shall follow the negotiations procedures contained in Article 1.3. Should the parties be unable to reach an agreement, the MTA shall have all the rights under O.R.C. 4117 as if the Contract has expired including the ability to engage in a job action at 12:01 a.m. on August 1, 2017.

For the life of the Agreement, the parties agree to meet to bargain the effects on terms and conditions of employment of changes imposed by state or federal law which become effective on and after the effective date of this Agreement.

It is agreed by and between the Board and the Association that during the term of this Agreement there shall be no right by the Board to effect a lock-out and no right by the Association, its members, or any member of the bargaining unit or anyone allied with them to engage in a strike, call-in, work stoppage, work slow-down, sick out, picketing, or any other individual or concerted activity designed to disrupt, impede, or render difficult to administer the normal school day or extension thereof.

- 9.2 **AGREEMENT** – As parties to the negotiation of this Agreement, the undersigned do attest that this Agreement constitutes an accurate representation of all matters negotiated between and agreed to by the Mentor Exempted Village Board of Education and the Mentor Teachers Association, an affiliate of the OEA/NEA. The provisions of this Agreement shall have precedent over all other conflicting Board policies and shall replace all matters previously negotiated between the Board and the Association.

- 9.3 **SEPARABILITY AND SAVINGS** – If any article or section of this Agreement should be held invalid by operation of law or by any court of competent jurisdiction, or if compliance with or enforcement of any article or section should be restrained by a court pending a final determination of validity, the remainder of this Agreement shall not be affected thereby.

In the event any article or section has been held invalid as set forth above, the parties shall enter into immediate collective bargaining negotiations, at the request of the Association, for the purpose of arriving at a mutually satisfactory replacement for such article or section. If the parties cannot reach agreement, either party may initiate the impasse resolution provisions of Article 1.3.8.

9.4 **FORM** – This Agreement shall be compiled into a booklet form entitled, *Agreement Between the Mentor Board of Education and the Mentor Teachers Association, 2017-2020*, and shall be signed by the President of the Board and the chief negotiator and the president of the Association and the chief negotiator; and an electronic copy shall be given to all affected employees.

**FIRST AMENDMENT  
TO THE  
MENTOR CITY SCHOOL DISTRICT  
SECTION 403(B) PLAN**

WHEREAS, the Board of Education of the Mentor City School District has previously adopted and maintains the Mentor City School District Section 403(b) Plan (the “Plan”); and

WHEREAS, the Plan provides that it may be amended from time to time, including by written action of the Treasurer; and

WHEREAS, the School District and the Mentor Teachers Association (the “MTA”) have agreed to the adoption of a severance pay deferral plan that will provide for certain payments to into a tax-sheltered annuity;

NOW, THEREFORE, Section 3.4 of the Plan is hereby amended and restated as follows, effective as of the date of adoption of this Amendment:

Notwithstanding anything in School District policy to the contrary, retiring Employees who are members of the bargaining unit that is represented by the Mentor Teachers Association (the “MTA”) and who are covered by the collective bargaining agreement (the “CBA”) between the School District and MTA, shall have the total amount that otherwise would be payable to them as Severance Pay (as defined below) mandatorily paid into a Plan Contract that has a group Annuity Contract with a Plan Provider that is designated by MTA for that purpose (the “Designated Contract”). Payment of such amounts under this Section 3.4(a) shall be in lieu of payment of such amounts directly to the retiring Employee; and no retiring Employee shall have the option of receiving payment of such amounts directly in cash.

The provisions of this Section 3.4(a) are hereinafter referred to as the MTA Severance Pay Deferral Program. The terms of the MTA Severance Pay Deferral Program shall include the following:

- (i) Participation in the MTA Severance Pay Deferral Program shall be mandatory for all “Covered Employees”. A Covered Employee shall be any Employee who meets all of the following requirements:
  - (A) The Employee retires effective at the end of the contracted school year and thereby becomes entitled to “severance pay” in excess of \$2,500.00 as based on current and future IRS regulations and in accordance with the requirements of article 5 of the CBA, and
  - (B) The Employee’s last day of employment is in or after the calendar year Employee attains (or will attain) age 55.

- (ii) For purposes of this MTA Severance Pay Deferral Program, the term “Severance Pay” shall include all payments of “severance pay” made pursuant to CBA and all payments of retirement incentive pay made pursuant to any related Memorandum of Understanding between the Board and the MTA. In addition, the Severance Pay must be payable no later than the last day of the fifth calendar year following the calendar year of the Covered Employee’s termination of employment on account of retirement.
- (iii) The Employer Contribution made on the behalf of the Covered Employee under the MTA Severance Pay Deferral Program in each calendar year shall be in an amount equal to the lesser of:
  - (A) The total amount of the Covered Employee’s Severance Pay.
  - (B) The maximum contribution amount allowable under the terms of this Plan, including Appendix A hereof.
- (iv) The required Employer Contribution under the MTA Severance Pay Deferral Program shall be made within the timeframes described in under the CBA.
- (v) To the extent that the Employer Contribution under the MTA Severance Pay Deferral Program exceeds the maximum amount allowable under this Plan in the calendar year of payment, the excess amount shall be payable to the 403(b) Plan in January in subsequent calendar years, up to the maximum amount allowable under this Plan, for up to a maximum of five (5) calendar years after the calendar year of the Covered Employee’s retirement; and if there is any remaining amount of Severance Pay, the excess amount shall be paid to the Covered Employee in cash.
- (vi) The Designated Contract shall be the Plan Contract for purposes of the MTA Severance Pay Deferral Program; provided, however, the School District shall continue to have authority to continue to approve or disapprove of Plan Providers. A Covered Employee under the MTA Severance Pay Deferral Program shall complete any enrollment forms or other forms the Covered Employee may be required to have the Employer Contribution under this Plan paid on his or her behalf to the Designated Contract; and unless and until the Covered Employee does so, no Employer Contribution of Severance Pay shall be made to the Designated Contract on behalf of the Covered Employee.
