ARTICLE 1
AGREEMENT/PURPOSE

Section 1.1. The Agreement, entered into by the University of Cincinnati, hereinafter referred to as the "Employer," and the Fraternal Order of Police, Ohio Labor Council, Inc., hereinafter referred to as the "FOP," has as its purpose the following:

To comply with the requirements of Chapter 4117 of the Ohio Revised Code; and to set forth in its entirety, the full and complete understandings and agreements between the parties governing the wages, hours, terms, and other conditions of employment for those employees included in the bargaining unit as defined herein.

Section 1.2. The mission of the Department of Public Safety is to promote a safe, secure and accommodating environment that furthers the University of Cincinnati's goals of education, research and public service.

ARTICLE 2
RECOGNITION

Section 2.1. The Employer recognizes the FOP as the sole and exclusive representative for all full-time employees in the bargaining unit as set forth in the certification issued by the Ohio State Employment Relations Board in case number 07-REP-11-0170, on April 10, 2008, including:

All full-time Security Officers of the University of Cincinnati:

but excluding:

All management level, supervisory, confidential employees as defined by the Act, all fiduciary, seasonal and casual employees as defined by the Board, University Law Enforcement Officers I, II and III and Dispatchers.

Section 2.2. The Employer will not recognize any other organization as the representative for any employee within the bargaining unit referenced above.

Section 2.3. In the event of a change of duties of a position within the bargaining unit, or in the event that a new position is created within the department, the Employer shall determine whether the new or changed position will be included in or excluded from the bargaining unit and shall so advise the FOP in writing within thirty (30) calendar days. If the FOP disputes the Employer's determination of bargaining unit status, the parties shall meet as soon as possible to attempt to resolve their disagreement. If the parties agree on the determination, it shall be implemented as agreed by the Employer and the FOP; except that if the change would represent a change to the bargaining unit or either party believes it is not clear whether the change would represent a change to the unit, the parties will submit a joint petition to SERB to clarify or amend the bargaining unit. If the parties do not agree, the position shall be subject to challenge by the FOP to SERB pursuant to Chapter 4117 of the Ohio Revised Code and SERB rules and regulations.

ARTICLE 3
UNION SECURITY AND DUES DEDUCTION

Section 3.1. The Union shall fairly represent all employees covered under this Agreement. Therefore, as a condition of employment, employees who are covered under this Agreement shall, within (sixty) 60 days of employment or within (sixty) 60 days of the effective date of this Agreement (whichever is later), either execute a union membership and payroll dues deduction form or shall have a fair share fee deducted from their payroll checks.

On or before December 31 of each year, the Union shall submit to the University a letter from an officer of the Union which specifies the amount constituting the fair share fee for the upcoming year, which amount shall not exceed the dues uniformly required of members of the Union. The letter shall certify to the University that a fair rebate procedure has been distributed to non-members. Following receipt by the University of the Union's letter, the University shall adjust the amount of the established fair share fee in accordance with the information provided in the Union's letter, effective with the next paycheck due to members of the Bargaining unit, no sooner than ten (10) days following receipt of the Union's letter.

An employee who exercises his/her rights under Ohio Revised Code 4117.09(c) shall, after a determination has been made in her favor by the SERB, meet with the Union to jointly select a lawful charitable fund to which the University shall, as a condition of employment, remit an amount equal to the fair share fee on a monthly basis.

Section 3.2. On a biweekly basis, the University shall deduct the dues established by the Union from the payroll check of each union member who has authorized such a deduction and the established fair share fee from each non-member. These deductions shall be transmitted to the Union no later than the tenth (10th) day of the following month, together with an alphabetized list of all employees and the amount deducted from each. A dues deduction authorization is irrevocable for a period of one (1) year from August 1 preceding the date of its delivery to the University, or until the employee moves into a classification not represented by the Union or employment is terminated (whichever occurs sooner). This authorization shall be automatically renewed each August 1 thereafter and shall be irrevocable for said periods of one (1) year unless written notice revoking such authorization is given to the University within the first twenty (20) days of July.

Section 3.3. As an express condition of the University's agreement to grant a fair share fee arrangement to the Union, the Union agrees to hold harmless the University for claims, demands, actions, complaints, suits or other forms of litigation or arbitration, whether or not the Union is a party, that shall arise by reason of actions taken by the University for the purpose of complying with the provisions of this article with respect to the collection of fair share fees or in reliance on any list, notice certification, affidavit or assignment furnished under any of such provisions by the Union. If the Union is a party, the Union's counsel shall be lead counsel during any litigation or arbitration concerning the fair share fee.

Section 3.4. The University shall provide a copy of this Agreement and a membership and dues deduction authorization form to bargaining unit employees at the University orientation program. The Union will be notified and provided with a schedule of the

orientation program that new bargaining unit members will be attending. If the Union wishes to meet with these employees, it will be given the opportunity to do so on the day of the orientation program.

Section 3.5. By the tenth (10th) day of each month, the University shall provide the Union with an alphabetical listing of all bargaining unit employees hired in the previous month, including their date of hire, classification, status, work location, rate of pay, home address and phone numbers. In addition, the list shall include any promotions, demotions and transfers (with the employees' previous and new classifications and work locations), terminations and resignations, departures from the bargaining unit and leaves of absence. The University will work with the Union in an effort to provide the monthly information on computer disk, instead of paper copy, depending on computer compatibility.

ARTICLE 4 **FOP REPRESENTATION**

Section 4.1. Representative(s) of the FOP shall be admitted to the Employer's facilities for the purpose of processing grievances or attending meetings as permitted herein. Upon arrival, the FOP representative shall identify himself/herself to the Employer or the Employer's designee.

Section 4.2. The Employer shall recognize four (4) employees, designated by the FOP, to act as FOP associates for the purposes of administering the collective bargaining agreement. The associates, or in their absence or inability to perform their function, designated alternates, shall be recognized as representatives, as provided herein. The bargaining committee shall consist of five (5) employees.

Section 4.3. The FOP shall provide to the Employer an official roster of its officers and associates which is to be kept current at all times and shall include the following:

- A. Name
- B. Address
- C. Home telephone number
- D. Immediate Supervisor
- E. FOP office held

No employee shall be recognized by the Employer as a FOP associate until the FOP has presented the Employer with written certification of that person's selection.

Section 4.4. Associates may spend no more than twenty (20) working hours per work week administering the agreement. Such release time is non-cumulative. Such activity shall not interfere with the performance of the associate's assigned duties.

After obtaining permission to engage in representational activities as provided for in this Section, each associate or alternate will notify the appropriate supervisor of his/her absence from his/her work assignment. Upon entering any work area other than his/her

own work area, and prior to engaging in any representational activities provided for in this Section, the associate or alternate shall request permission from the appropriate supervisor of such work area, and shall identify the nature of the representational activity he/she is to perform.

Section 4.5. The FOP agrees that no representative or associate of the FOP, either employee or non-employee of the Employer, shall interfere, interrupt, or disrupt the normal work duties of employees. Further, the FOP agrees not to conduct meetings (bargaining unit, lodge, or committee meetings) involving on-duty employees except to the extent specifically authorized by the Employer. Bargaining unit members shall not conduct FOP business (defined as fund raising activities, solicitation for memberships, or distribution of literature) on behalf of the FOP or any FOP Lodge, during the work time of any involved employee. Unauthorized activities shall cease upon the demand of a supervisor, and any failure to cease unauthorized activities may subject the offending employee(s) to disciplinary action.

Section 4.6. FOP Bargaining Committee. The wage demands have been submitted in good faith. All members of the Fraternal Order of Police Wage Committee shall be free from coercion, intimidation, discrimination, transfer (in retaliation for engaging in collective activities), threats or other detrimental actions.

Section 4.7. The FOP shall be permitted to utilize the intradepartmental mail system in order to communicate confidentially with bargaining unit members and to use the e-mail system. The FOP shall also be able to place correspondence in the employee's mail bins.

Section 4.8. The FOP shall be permitted, upon prior notification to the Employer, to place ballot boxes in each division or facility for the purpose of collecting employees' ballots on FOP issues subject to ballot. Ballot boxes and their contents are the property of the FOP and shall not be subject to review by the Employer or non-bargaining unit staff.

Section 4.9. The FOP shall be permitted to address all new bargaining unit members during regularly scheduled new employee classroom training/orientation before such members complete their training period. The presentation shall be scheduled by the Training Coordinator/Employer and shall not exceed thirty (30) minutes in duration.

Section 4.10. During each calendar year, the three (3) FOP associates shall each be granted two (2) days in paid status and reasonable time off duty without pay to attend the state or national conferences of the FOP provided that the FOP submits written notification to the Chief of Police (or designee) at least fourteen (14) calendar days prior to the date of the function. To the extent any such time off without pay is during the associate's scheduled working hours, time off may be charged to vacation or compensatory time, at the option of the associate. In addition, with the approval of the Chief of Police (or designee), associates may have the option of changing their regularly scheduled days off to avoid the use of vacation or compensatory time off for attendance at the FOP conferences. The request must be submitted by the delegate in writing not less than fourteen (14) calendar days prior to the days for which the leave is requested.

Written request for release time for activities specified in this Article shall be provided to the appropriate supervisor as far in advance as possible. Such release time shall not unreasonably interfere with the efficient operation of the released employee's work area. Such release time shall not be unreasonably denied.

The Chairman of the FOP Bargaining Committee shall maintain a record of all release time provided for in this Section, and shall ordinarily provide a bi-monthly report to the Chief during the first seven (7) calendar days of each even-numbered month. This report shall contain the date, number of hours of release time, name of FOP member released, and the nature of the representational activity for each release time occurrence within the previous calendar month.

ARTICLE 5 **MANAGEMENT RIGHTS**

Except as specifically limited by the provisions of this Agreement and University Rules and Policies, the management of the University and the direction of the working force, including the right to hire, promote, transfer, demote, layoff, discharge or discipline for just cause in accordance with the provisions of the Contract is the responsibility of the University. In addition, the work to be performed, the location of the work, the methods or processes, the organization of departments, and the amount of supervision are the responsibility of the University. It is further understood that nothing in this Agreement shall be construed as delegating to others the authority conferred by law on any University official, or in any way abridging or reducing such authority. The above statement of management rights is understood to be descriptive and explanatory and is not restrictive subject to the rights listed in ORC 4117.08(C) – 4117.08(C) (9) or the provisions of this Article.

During the term of the Agreement, management shall bargain with the Union regarding the impacts and effects of the exercise of its rights on employees' terms and conditions of employment. The parties shall bargain in good faith and attempt to reach agreement when bargaining over the impacts and effect of management's decisions. If no agreement is reached, management reserves the right to implement its decision provided such implementation results in no violation of this Agreement.

ARTICLE 6 **NON-DISCRIMINATION**

Section 6.1. The Employer and the FOP agree not to discriminate against any bargaining unit employee with respect to compensation, terms or conditions of employment because of such individual's race, color, religion, sex, sexual orientation, age, national origin, disability, ancestry of any person, or FOP membership or non-membership. Management's use of bona fide occupational qualifications in accordance with job characteristics shall not be construed as discrimination, therefore not subject to the Grievance Procedure Article.

ARTICLE 7 **LABOR/MANAGEMENT MEETINGS**

Section 7.1. In the interest of sound labor/management relations, the Employer and/or designee(s) shall meet as necessary, but no more than once per month without

agreement, with not more than three (3) employee representatives of the FOP to discuss pending problems and to promote a more harmonious labor/management relationship when requested.

Section 7.2. An agenda will be exchanged by the parties at least seven (7) working days in advance of the scheduled meeting with a list of matters to be taken up in the meeting and the names of those FOP representatives who will be attending. The purpose of such meeting shall be to:

- A. Discuss the administration of this Agreement.
- B. Notify the FOP of changes made by the Employer which affect bargaining unit members of the FOP.
- C. Disseminate general information of interest to the parties.
- D. Discuss ways to increase productivity and improve effectiveness.
- E. To consider and discuss health and safety matters relating to employees.

Section 7.3. This Article is not intended to be a vehicle to modify or change any provisions of this Agreement.

ARTICLE 8 **GRIEVANCE PROCEDURE**

Section 8.1. The term "grievance" shall mean an allegation by a bargaining unit employee that there has been a violation of one or more terms of this Agreement. It is not intended that the grievance procedure be used to effect changes in the Articles of this Agreement. It is not intended that the grievance procedure be used to effect changes in those matters which are controlled by the provisions of Federal and/or State laws and/or by the United States or Ohio State constitution.

The parties agree that disputes should be resolved as soon as possible, therefore, employees and the FOP shall attempt to resolve disputes before resorting to initiating a grievance pursuant this article.

Section 8.2. All grievances must be presented at the proper step and time in progression in order to be considered at the next step. Grievances involving lost pay discipline (suspension, demotion or discharge) shall be initiated at Step 3.

The grievant or the FOP may withdraw a grievance at any point by submitting, in writing, a statement to that effect, or by permitting the time requirements at any step to lapse without further appeal.

Any grievance not answered by the Employer's representatives within the stipulated time limits may be advanced by the grievant to the next step in the grievance procedure. Time limits set forth herein may only be extended by mutual agreement.

A grievance may be brought by any member of the bargaining unit. Where a group of bargaining unit employees desire to file a grievance involving a situation affecting

more than one (1) member of the bargaining unit in a similar manner, one (1) member selected by such group will process the grievance, and shall so indicate that the grievance is a group grievance.

Wherever used in this procedure, the word "day" shall mean calendar day. Whenever a time limit ends on a Saturday, Sunday, or a holiday, the end of the time limit shall run until the end of the next day which is not a Saturday, Sunday or holiday.

Section 8.3. A grievance must be submitted to the grievance procedure within fourteen (14) calendar days after an employee knows or should have known the facts giving rise to the grievance, otherwise it will be considered not to have existed.

Section 8.4. All grievances must be submitted in writing and should contain the following information to be considered:

- A. Grievant's name and signature;
- B. Date, time and location of grievance;
- C. Description of incident giving rise to the grievance;
- D. Date grievance was first discussed;
- E. Name of supervisor with whom grievance was first discussed;
- F. Date grievance was filed in writing;
- G. Article(s) and Section(s) of the Agreement alleged to have been violated;
and
- H. Desired remedy to resolve grievance.

Section 8.5. The following steps shall be followed in the formal process of a grievance:

Step 1: A grievance may be submitted by the grievant to the manager of the area or designee, whichever is applicable, within the time limits set forth in Section 8.3 above. It shall be the responsibility of the manager of the area or designee to investigate the matter and to provide a written answer to the grievant within ten (10) calendar days following the day on which the matter was submitted.

Step 2: A grievance unresolved at Step 1 may be submitted by the grievant to the Police Chief or his/her designee within seven (7) calendar days of the presentation of the Step 1 answer. It shall be the responsibility of the Police Chief or designee to investigate the matter and to provide a written answer to the grievant within ten (10) calendar days following the day on which the matter was submitted to the Police Chief.

Step 3: A grievance unresolved at Step 2 may be submitted by the grievant to the Director of Labor Relations or designee within seven (7) calendar days of the presentation of the Step 2 answer. The Director of Labor Relations or designee shall meet with the grievant, and representative of the FOP if the grievant desires, within

seven (7) calendar days of submission of the grievance to Step 3, to discuss the grievance. The Director of Labor Relations or designee shall provide a written answer to the grievant within ten (10) calendar days of such meeting.

Step 4 - Arbitration: A grievance unresolved at Step 3 may be submitted to arbitration upon request of the FOP.

The FOP, based upon the facts presented, has the right to decide whether to arbitrate a grievance. Within ten (10) calendar days from the date of the final answer on a grievance from Step 3, the FOP shall notify the Director of Labor Relations of its intent to seek arbitration over an unresolved grievance. The FOP may withdraw its request to arbitrate at any time prior to the actual hearing. Any cancellation fee due the arbitrator shall be paid by the party or parties canceling the arbitration unless otherwise agreed to. Any grievance not submitted within the ten (10) calendar day period described above shall be deemed settled on the basis of the last answer given by the Employer or representative(s).

- A. The arbitrator shall be selected in the following manner: The Federal Mediation and Conciliation Service (FMCS) shall be jointly requested to submit a panel list of nine (9) arbitrators from Ohio. The parties shall alternately strike the names of the arbitrators until only one (1) name remains. Either party may once reject the list and request from FMCS another list of nine (9) names until a mutually agreeable arbitrator is selected. The parties may at any time mutually agree to an alternate arbitration service or method of selection of an arbitrator.
- B. If either party challenges the arbitrability of a grievance, it shall notify the other party of its challenge and intent to raise the issue at the arbitration hearing. At the hearing, the first question to be placed before the arbitrator is whether or not the issue is arbitrable and within his/her jurisdiction to decide. If the arbitrator determines the grievance is arbitrable, the grievance will be heard on its merits before the same arbitrator. The arbitrator shall limit his/her decision strictly to the interpretation, application, or enforcement of specific Articles of this Agreement. He/she may not modify or amend the Agreement. Five (5) days before the beginning of an arbitration hearing the parties shall exchange witness lists and copies of all documents which they intend to use at the hearing.
- C. The decision of the arbitrator shall be final and binding on the grievant, the FOP and the Employer. The arbitrator shall be requested to issue his/her decision with thirty (30) calendar days after the conclusion of testimony and arguments and submission of final briefs.
- D. The fees and any other costs for the services of the arbitrator, the cost of any proofs produced at the direction of the arbitrator, the fee of the arbitrator, and the cost of the hearing room, if any, shall be borne equally by the Employer and the FOP. The fees and costs, if any, of any non-employee witnesses shall be borne by the party calling them. The fees of the court reporter shall be paid by the party asking for one, or split equally by the parties if both parties desire a court reporter, or request a copy of any transcripts. Any bargaining unit member whose attendance is required for such hearing shall not lose pay or benefits to the extent such hearing hours are during his/her normally scheduled working hours on the day of the hearing.

Section 8.6. When an employee covered by this Agreement chooses to represent himself/herself in the presentation of a grievance, no adjustment of the grievance will be inconsistent with the terms of this Agreement. Prior to the adjustment of any such grievance, the appropriate FOP representative will be notified of his/her right to be present at the adjustment.

Section 8.7. The FOP shall use a grievance form which shall provide the information outlined in Section 8.4. The FOP shall have the responsibility for the duplication, distribution, and their own accounting of the grievance forms.

ARTICLE 9 **DISCIPLINE**

Section 9.1. The following language on Discipline is the sole source of rights and obligations of the parties to this contract in these matters.

Section 9.2.

- A. An employee may receive discipline for just cause.
- B. The University may take disciplinary action against any employee for actions occurring while the employee is on duty, or off duty actions that negatively impact the employee's ability to function in the community, or working under the colors of the University, or where the employee's conduct violates his/her oath of office.
- C. Employees shall have the right to Union representation at all hearings to determine discipline and conferences that may result in corrective action, or may choose to present their own case.
- D. Discipline shall be taken according to the seriousness of the offense and the basic purpose of such action is corrective and not punitive. The University shall administer progressive discipline that provides the employee the opportunity to understand a problem and the steps necessary to improve identifiable deficiencies.
- E. Discipline may be in the form of, but not necessarily start at, written counseling, written reprimands, suspensions up to thirty (30) calendar days, demotion and/or discharge.
- F. Employees subject to all written discipline including written counseling (up to and including dismissal) shall receive notification of the actions in writing.
- G. Employees who are subject to discipline (except for failure to qualify at the end of their initial probationary period) that immediately results in a suspension, demotion or dismissal shall have a hearing by a hearing officer prior to the imposition of said action. All charges against the employee shall be in writing (charge letter) and specifically state in detail the alleged infraction and the anticipated discipline. If facts arise during the investigation that cause the anticipated discipline to be revised, nothing

shall prohibit such revision. The employee against whom charges are issued, or the University, shall have the right to one continuance of the scheduled hearing. Such continuance must be requested at least one (1) working day in advance of the scheduled hearing. Such continuance shall not exceed fourteen (14) calendar days unless another time is mutually agreed to.

The employee must choose to: (1) appear at the disciplinary conference and present an oral or written statement in his/her defense; (2) appear at the disciplinary conference and have one (1) chosen representative present an oral or written statement in his/her defense; or (3) elect in writing to waive his/her opportunity to have a disciplinary conference. Failure of the employee to elect and pursue one (1) of these three (3) options will be deemed a waiver of the employee's right to the disciplinary conference.

At the disciplinary conference, the employee may present any testimony, witness, or documents which explain whether or not the alleged misconduct occurred.

Discipline involving suspension, demotion, or dismissal shall be imposed by the hearing officer only after issuing the findings and decision. The hearing officer may impose warning letters in place of suspensions. Such warning letters will carry the same weight as the suspension they replace and will be so evaluated in determining its appropriateness and in the assessment of any subsequent action.

Should an employee decide to file a grievance over action taken as the result of a hearing, such grievance shall be initiated at Step Three (3) of the grievance procedure.

- H. An employee shall not be placed on an unpaid leave without the opportunity to appear at a disciplinary hearing.
- I. The University reserves the right to terminate employment for the following reasons:
 - 1. Voluntary resignation;
 - 2. Discharge for just cause as set forth in this Article, Section 2, A.
 - 3. Failure to return from a leave of absence within seven (7) calendar days of the issuance of a certified letter from the University or other mutually agreed to time frame.
 - 4. Failure to return from a layoff within fourteen (14) calendar days of the issuance of a certified letter from the University.
- J. After twenty-four (24) months from date of issue, loss of pay discipline shall not be considered in any subsequent determination of discipline unless

there has been discipline in the intervening period, and the force and effect period for counselings and reprimands shall be twelve (12) months.

- K. In all cases of dismissal, the employee is entitled to payment of all wages due.
- L. Employees who have been notified of an upcoming administrative hearing may meet with their steward during working hours with no loss of pay or benefits to prepare for the hearing; such meetings shall be for a reasonable period of time.
- M. Employees have the right to appeal discipline through the grievance procedure, however, counseling's are not subject to the grievance process, and neither counseling's nor reprimands are subject to the arbitration process.

Section 9.3. Whenever the Employer or designee(s) interviews, questions, or interrogates bargaining unit members in reference to alleged or suspected misconduct, either in preliminary investigations or in disciplinary hearings, the following conditions shall apply:

- A. Employees being questioned as witnesses shall be so informed.
- B. When an employee who is suspected of misconduct is interviewed, questioned, or interrogated regarding such misconduct, he/she shall be apprised of the nature of the suspected misconduct as it is known at that time and his/her right to have the opportunity to have a FOP representative present to advise him/her during the questioning.
- C. Prior to questioning, employees (including witnesses) shall be informed that failure to respond or failure to respond truthfully may result in disciplinary action for insubordination or dishonesty.
- D. Preliminary investigations and disciplinary hearings shall be held either during an employee's scheduled working hours or at a time in reasonable proximity to his/her shift.
- E. Questioning sessions shall be for reasonable periods and shall allow for personal necessities and rest period.
- F. No employee shall be subjected to abusive language during questioning. No promise of reward shall be made as an inducement to answer questions.
- G. The Police Chief may require an employee to take a polygraph examination, voice stress analysis, or similar technology. The employee shall be entitled to union representation pursuant to Section 2.C. of this Article.
- H. Any employee required by the Employer to attend an investigatory interview or disciplinary hearing outside of his/her scheduled working hours shall be paid for all such time.

Section 9.4. Anonymous complaints with no corroborative evidence shall not be cause for disciplinary action. When an anonymous complaint is made against a bargaining unit member, and there is no corroborative evidence of any kind, the complaint shall be classified as unfounded.

Section 9.5. Disciplinary action must be instituted within thirty (30) days of when the employer became aware of the employee's alleged misconduct. The thirty (30) day period may be extended if the employer has a legitimate business reason.

Section 9.6. Employees shall be given a written disposition of any internal investigation or non-disciplinary complaint filed by an officer within thirty (30) days of the filing.

ARTICLE 10 **PERSONNEL FILES**

Section 10.1. Each employee may request to inspect his/her official personnel file maintained by the Employer. Inspection of the individual's personnel file shall be by scheduled appointment requested in writing or by phone call to the Employer or designee. Appointments shall be during the regular scheduled work hours of the administrative staff of the Employer. An employee shall be entitled to have a representative of his/her choice accompany him/her during such review. Any employee may copy documents in his/her official personnel file. Any representative of the FOP as designated in Article 4 of this Agreement may inspect the personnel file of any bargaining unit employee provided that the employee is present at the time of inspection, or upon written authorization including the signature of the employee.

Section 10.2. If an unfavorable statement or notation is in the official personnel file, the employee shall be given the right to place a statement of rebuttal or explanation in the file. No unsubstantiated anonymous material of any type shall be included in the employee's official personnel file.

Section 10.3. To the extent permitted by law, the Employer shall not disclose any information contained within the personnel files.

Section 10.4. An employee shall be notified if a public records request is made for his/her personnel file.

ARTICLE 11 **PROBATIONARY PERIODS**

Section 11.1. Every newly hired employee shall be required to successfully complete a probationary period. The probationary period shall begin on the first day for which the employee receives compensation from the Employer and shall continue for a period of one (1) calendar year. An employee serving an initial probationary period may be terminated at any time and shall have no right to appeal the termination.

Section 11.2. Any employee promoted into a higher level position shall be required to successfully complete a probationary period of one (1) calendar year. An employee serving a promotional probationary period whose performance is judged unsatisfactory shall be returned to his/her former classification.

Section 11.3. Every employee shall be required to successfully complete a probationary period for Security Officer 1, 2 and 3.

ARTICLE 12 **SENIORITY**

Section 12.1. "Seniority" shall accrue to all employees in accordance with the provision of this Article. Seniority, as defined in Section 12.2 of this Article, will apply wherever employee seniority rights are established in the terms and conditions of this Agreement.

Section 12.2. "Seniority" shall be computed on the basis of uninterrupted length of continuous service in the bargaining unit classification. Ties will be broken by uninterrupted time served as an employee of the public safety department. If a tie still exists, it will be broken by uninterrupted time served as an employee of the University. For employees hired before January 1, 2005, if a tie still exists it shall be broken by alphabetical order of the first letter of the employee's last name. For employees hired after January 1, 2005, if a tie still exists it shall be broken by the date of application to the public safety department.

- A. The following situations shall not constitute a break in continuous service:
1. Absence while on approved leave of absence;
 2. Absence while on approved sick leave, disability leave or injury leave;
 3. Military leave; and
 4. A layoff of three (3) year's duration or less; and

Section 17.6. The current review procedure referenced in 17.3 is as follows:

- 1) In most cases the evaluator and reviewer complete the evaluation form, then it is discussed with the employee by the evaluator.
- 2) The employee at this time may rebut the evaluation with his/her comments.
- 3) The evaluation then goes to the Chief where he/she reviews and initials/signs the form and a copy is sent back to the employee.

These rotations shall repeat themselves every seven (7) weeks.

Officers assigned to specialty units shall work eight (8) hour days on a Monday – Friday schedule with Saturdays and Sundays off.

If the Employer decides that a change in the above listed work schedule is necessary for the efficient running of the Department, a Labor Management meeting shall be convened to explore alternative work schedules that are agreeable to the parties. If a consensus is unable to be reached the Employer may implement the change(s) subject to the grievance procedure.

The Employer may temporarily adjust an Employee's work schedule based on legitimate operational needs. Whenever practicable, the Employer will give the Employee seven (7) days prior notice. The Employer shall ask for volunteers before an Employee is mandated to a different schedule or before an employee is required to extend his/her shift.

Schedules for Employees working at branch campuses shall be determined by the department and the appropriate branch campus.

No Employee shall be required to work in excess of sixteen (16) hours in a twenty-four (24) hour period. Unscheduled overtime and court time shall not be considered part of these calculations.

Section 18.2. The standard work period for all bargaining unit employees, shall consist of no more than forty (40) hours, inclusive of any roll call time, within a seven calendar day period described as Sunday through Saturday.

Section 18.3. Shift assignments shall be made based on the operational needs of the department. Consideration shall be given to an employee's performance evaluation, seniority, disciplinary record and attendance record all factored at twenty-five percent (25%) of the total score. Should a tie still exist, seniority shall be the tie breaker. FMLA time shall count as one occurrence for the purpose of this section. Shift preferences are to be submitted during the month in which Spring commencement occurs in every even-numbered year. Shift changes shall be effective no later than the first Sunday prior to the start of the Autumn school schedule. When an officer is transferred from one work assignment to another, one of two possibilities will occur. For other reasons, the officer will be given the opportunity to select his/her assignment in accordance with his/her ranking on performance evaluation, seniority, disciplinary record and attendance record. Such assignment must be made within seven (7) days. Special assignments are excluded from this Section. Employees involuntarily and temporarily mandated to fill in at branch campuses will begin and end their shifts on main campus and will travel to the respective branch in a security vehicle.

Section 18.4. Hours worked in excess of an employee's standard work period shall be considered overtime and shall be compensated at the rate of one and one-half (1½) times his/her regular straight time hourly rate of pay. There shall be no pyramiding of overtime for the same hours worked or for premium hours paid (i.e., court time, call-out, etc.). Overtime shall be calculated in one-tenth (0.1) hour (six [6] minutes) increments. Active pay status includes paid time off for sick leave, vacation leave, automatic holiday pay, occupational injury leave pursuant to Article 25 and compensatory time.

It does not include hours worked on a holiday for purposes of calculating hours in overtime status.

Section 18.5. Employees may elect, in lieu of overtime pay, to accept compensatory time. Compensatory time shall be credited at the rate of one and one-half (1½) hours off for each one (1) hour of overtime worked. Compensatory time may be accumulated by an employee. Compensatory time may not accumulate more than two hundred forty (240) hours. Compensatory time more than twelve (12) months on the books will be converted into pay. The following rights and conditions shall exist as they pertain to compensatory time:

- A. The election of overtime pay or compensatory time is solely the right of the employee, and he/she shall so indicate his/her election when reporting the overtime worked;
- B. Compensatory time off requested by an employee which has been approved and scheduled, shall not be canceled except when the University is under emergency status as declared by the Board of Trustees and/or the President of the University or except under exceptional circumstances as determined by the Chief of Police;
- C. Requests for compensatory time off in conjunction with vacation shall be honored as long as the request for compensatory time off was submitted at the same time as the request for vacation and the request for vacation has been approved;
- D. Any employee may elect to convert all or part of his/her accrued compensatory time balance at any time. Cash-in requirements must be made in whole hour increments, except where the employee is converting his/her entire balance. Payment shall be made at the rate of pay existing at the time of cash-in.
- E. Compensatory time may be taken in one-tenth (.10) hour increments. Requests for compensatory time shall be made in writing by the employee to the employee's supervisor at least one (1) day in advance for requests of one (1) day or less and at least three (3) days in advance for requests of more than one (1) day. Only the Employee's shift supervisor or the officer in charge of the Employee's shift may waive this provision based on departmental needs. Compensatory time may not be used to cover a tardiness.
- F. When a request for compensatory time requires that the slot be filled the following procedure shall be used. Security Officers shall be asked to work the slot first, then it may be offered to ULEO's. If no one wishes to work the slot, the request shall be denied. No officer shall be ordered/mandated to work the slot.

Section 18.6. With the prior approval of the Employer or designee, an employee may exchange days off or work shift assignments with another employee.

Upon request of an employee, and with prior approval of the Employer or designee, an employee may work a scheduled day off in exchange for another day off to be scheduled in the work period, without receiving any additional compensation.

Section 18.7. If the bargaining unit designated representative develops an alternate work schedule, such schedule shall be the subject of a special Labor/Management Meeting pursuant to the provisions of Article 7 of this Agreement.

Section 18.8. Pay for overtime shall be paid no later than the pay period following the work period during which the overtime was properly submitted by the Employee.

Section 18.9. Management will not require overtime for anything over minimum staffing levels. If the level falls below the minimum, it is a safety issue and Management can mandate overtime.

Section 18.10. Overtime

Once overtime is assigned to an Employee, it shall be considered part of an Employee's regular work assignment. An Employee who cannot work an overtime assignment must find a replacement; however, an employee who cannot work due to illness is not required to find a replacement. The Chief or Assistant Chief may require proof of illness if abuse is suspected.

Special Event Overtime

Some officers desire to work overtime Special Event Details, some officers prefer not to work special event details, and other officers prefer to work only some overtime Special Event Details. The following method of assigning these details shall be used in an effort to meet these differing preferences:

Overtime special event details will be selected on an equity basis, to the extent reasonably possible, to officers that sign up for details. A weekly report will be generated by the public safety business office and provided to the special event planning unit that lists all security officers and the total number of detail hours worked in the period by each officer. For purposes of this section, a period shall be defined as a calendar year. When selecting an officer for a detail, the special event planning unit shall select the officer who (1) signed up for the detail and (2) has the least number of detail hours worked in that period. In the event that two or more officers signed up for the same detail have the exact same number of detail hours worked in the period, then the senior officer will be selected. Nothing in this section is intended to ensure that any or all officers will receive the same number of detail hours in a period, but every effort will be made for the selection process to be equitable to all security officers. On January 1 of each year, the total number of detail hours worked will be reset to zero for all security officers.

If there are not sufficient officers signed up to provide adequate safety for an event, mandated overtime may be invoked; based on inverse seniority with the least senior employee being assigned first, and then rotating through the entire list before returning to the least senior security officer. The special event planning unit shall maintain details under this section. The list will be made available for review upon request.

A listing of special events requiring overtime coverage will be posted electronically no more than thirty (30) days in advance of the event. When a detail is posted, the selection of the officer to work the detail shall not occur for a minimum of 48 hours to allow officers to sign up, unless the detail commences less than 48 hours from when it is

posted. In that event, the detail shall be selected, using the equity criteria described above, as soon as possible. Officers shall not sign up for more than one detail with overlapping times, but may sign up for as many available details as they wish that do not have overlapping times. The parties recognize that the specific details of the event may not be available at the time of posting. If overtime for the event must be mandated, the employer will notify effected employees five (5) days in advance of the event. Officers who wish to work a detail shall so indicate on the detail listing. The parties agree that there may be occasions in which the special events are provided to the department on such short notice so that the notice requirements listed above will not be possible, however, these occasions should not be common. If problems occur with the process, a labor-management committee will be convened to remedy the issue.

An employee who reports for a special event and is sent home due to cancellation shall receive two (2) hours pay.

Shift overtime shall be handled in accordance with the department policy for Overtime/Shift Coverage.

Officers who call in sick for more than three (3) mandated overtime details in a calendar year may be subject to progressive discipline. Officers providing a Dr.'s note for a sick time occurrence under these circumstances will not be counted as an absence.

Section 18.11. In the event that the University closes due to inclement weather or other emergencies, members of the FOP bargaining unit who are required to work because they are designated as essential shall be compensated at a rate of two times the regular hourly rate.

Section 18.12. Security Officers shall not be assigned duties that are not in their job classifications.

The hours for second shift are 1800-2300 and the hours for third shift shall be 2300-0600.

Section 19.4. An employee currently eligible and receiving longevity pay shall continue to do so for the length of his/her employment, however, an employee who leaves the University and whose leave constitutes a break-in-service shall not be permitted to receive longevity pay if re-employed.

Section 19.5. An employee who wishes to progress from one Security Officer classification to another must notify the Chief or Assistant Chief in writing. If, after two years from the notification, the employee has been unable to complete the necessary training requirements due to the department being unable to provide for the training, the employee shall be placed in the higher classification.

The University reserves the right to modify the plan design and employee contribution. Such modifications shall be no less favorable than those provided to unrepresented employees.

For waiving coverage a monthly credit may be received as cash in the paycheck by the employee or applied to the cost of other benefits. The waivers shall be the same as those provided to the unrepresented employees. If an employee and his/her spouse/domestic partner both work for the University in benefit eligible positions and elect to enroll under one medical plan, the spouse/domestic partner waiving coverage is not eligible for the credit.

Other Insurance

The University shall provide optional employee life insurance, family life insurance, accidental death and dismemberment coverage, and long-term disability coverage to employees. The University reserves the right to modify the plan design and/or employee contribution. Such modifications shall be no less favorable than those provided to unrepresented employees.

During the term of this Agreement, the University may implement a wellness or healthy life-style program. Such a program may include a combination of activities that are designed to increase awareness, assess risks, educate and promote voluntary behavior changes to improve the health of an individual, encourage modifications of his/her health status and enhance his/her personal well-being and productivity, with a goal of preventing illness and injury.

The FOP shall be provided a list of the observed holidays each year. The length of each holiday shall be equal to the length of an employee's scheduled work day not to exceed ten (10) hours. If the University increases the number of holidays above ten (10), the holiday bank shall increase by nine (9) hours at time-and-one-half for each added holiday.

Section 22.2. Employees with a standard work schedule (defined as those employees who are scheduled to work Monday through Friday with Saturdays and Sundays off), shall observe holidays on the actual date of occurrence; provided, however, that when a holiday occurs on a Saturday, they shall observe it on the immediately preceding Friday, and when a holiday occurs on a Sunday, they shall observe it on the immediately succeeding Monday. The one hundred eighty-nine (189) hours is representative of ten (10) holidays and four (4) seasonal closure days. This equates to nine (9) hours for each day at time-and-one-half. Hours in this bank may be used in a similar manner as compensatory time for purposes of taking time off work. For purposes of cashing out the bank, employees may elect to cash out thirteen and a half (13.5) hours per each holiday to be paid during the pay period on which the holiday falls. Employees may not retroactively cash out holidays, if they do not cash out during that pay period. Hours not used by December 31st will be paid out by the University no later than January 31 of the following year.

Bargaining unit members beginning employment after January 1 in any calendar year shall be pro-rated a Holiday Time Bank equal to the number of holidays remaining in the year along with four (4) seasonal closure days equal to nine (9) hours for each day at the time-and-one-half. Hours in this bank may be used in a similar manner as compensatory time for purposes of taking time off work. For purposes of cashing out the bank, the employees may not retroactively cash out holidays, if they do not cash out during that pay period. Hours not used by December 31st will be paid out by the University no later than January 31 of the following year.

Bargaining unit members who leave their employment with the University prior to the end of the year who have Holiday Time remaining shall be paid out at a pro-rated amount equal to the number of holidays and/or seasonal closure days which have passed.

Bargaining unit members who leave their employment with the University prior to the end of the year who have used their entire Holiday Time Bank may, at the University's discretion, be required to reimburse the University for the time used which had not yet been earned. If the University intends to enforce this section, they must do so by deducting any not earned amount from the employee's final pay check and so notify the employee of the same.

Forty (40) hours of vacation credit is added at the eight (8), fifteen (15), twenty (20), and twenty-five (25) years of employment in addition to the increased rate of accrual. The 40 hours added for twenty (20) years is a one time bonus only and does not create a new rate of accrual. The forty (40) hours of vacation credited to employees on their anniversary of twenty (20) years of employment, pursuant to Section 23.2, is a one-time credit and does not affect the employee's rate of accrual.

Section 23.3. Vacation may be taken in one-tenth (.10) hour increments. 6. During the university employee's period of service in the Armed Forces, he or she will be entitled to all non-seniority rights and benefits generally provided by employee contracts, agreements, policy or practice to similarly situated employees (employees with similar seniority, status and pay that are on furlough or leave).

However, other rights specified in USERRA, its regulations and Ohio Law, including the employee's right to reemployment following his or her period of service, are not waived.

7. University employees on a Military Leave with pay will continue to accrue sick leave (time) and vacation time at the normal rate. Sick leave (time) and vacation time do not accrue during a Military Leave without pay.
8. Employees will only be allowed to continue the health and dental coverage during military leaves that would have been in effect had they remained in active employment status with the university. To continue coverage, any applicable employee premium contribution must be paid by the employee. Employees should contact the Human Resources Department concerning eligibility for and continuation of benefits prior to the start of the leave.
9. University employees on paid or unpaid Military Leave will be entitled to any additional leave entitlements or benefits allowed to them under Federal and Ohio laws.

Return to Position

Provided that the university employee returning from paid or unpaid Military Leave has met and complied with all necessary eligibility requirements and procedures promulgated by USERRA (including the timelines for returning to work), that employee shall be eligible for reemployment with the university.
 - a. The university will not delay or deny employment if the employee is unable to provide proper military documentation to support the elements listed in the preceding section because the documentation either does not yet exist or is not readily available to the employee. If, following reemployment, documentation is received by the university which shows that the employee was not entitled to reemployment, the university may terminate the employee's employment as well as any rights or benefits the employee received upon reemployment.
11. Subject to the requirements of USERRA an employee seeking to return to work with the university following a Military Leave shall be employed in the following manner:
 - a. University employees who are eligible for reemployment and whose period of service in the uniformed services lasted less than 91 days shall be promptly reemployed in the position of employment that the employee would have held had he or she been continuously employed at the university during the employee's time of service, so long as the employee is qualified to perform the duties of that position after reasonable efforts by the university to qualify that person.
 - i. If, after reasonable attempts to qualify the employee for the position the employee would have held had his or her employment not been interrupted through service, the employee is not qualified to hold that position, the employee will be reemployed in the position that the employee held when his or her period of service commenced.
 - b. University employees who are eligible for reemployment and whose period of service in the uniformed services lasted more than 90 days shall be promptly reemployed in the position of employment that the employee would have

held had he or she been continuously employed at the university during the employee's time of service, or an equivalent position, provided that the employee is qualified to perform the duties of that position after reasonable efforts by the university to qualify that person.

- i. If, after reasonable attempts to qualify the employee for the position the employee would have held (or an equivalent position), the employee is not qualified to hold the position that he or she would have held if he or she would have been continuously employed with the university, the employee will be reemployed in the position that the employee held when his or her period of service commenced (or an equivalent position).
 - c. Any employee, regardless of the length of his or her period of service, who either incurred or aggravated a disability during his or her period of service and, because of that disability, is not qualified to be employed in the position he or she would have held if continuously employed by the university, despite the university's reasonable attempts to accommodate the disability, the employee shall be reemployed in the following manner:
 - i. In any other position which is equivalent in seniority, status and pay, the duties of which the employee is qualified to perform or would be qualified to perform with reasonable efforts by the university; and
 - ii. Consistent with the employee's situation, in a position which is the nearest approximation to the position described above in terms of seniority, status or pay.
- 12. Following the employee's restoration to employment, the employee may not be discharged from employment, except for cause (which includes legitimate nondiscriminatory reasons such as the elimination of the employee's position or placing the employee on layoff status), in accordance with the following time lines:
 - a. University employees whose period of service before reemployment was for more than 180 days shall not be discharged from employment, without cause, for one year following the date of reemployment.
 - b. University employees whose period of service before reemployment was for more than 30, but less than 181 days shall not be discharged from employment, without cause, for 180 days following their date of reemployment.
- 13. Any person employed to replace an employee on Military Leave with or without pay must be appointed with the understanding that the employee on Military Leave has the right to return to the position formerly held; further, the person replacing an employee on Military Leave shall sign a statement to that effect at the time of employment.

14. The requirement that the university employee must be placed in the position of employment that he or she would have held had the employee been continuously employed at the university will be followed even if the position that the employee would have been employed in is one which would have been subject to lay off or elimination. Furthermore, if the employee is laid off before or during the service in the uniformed services, and the employer would not have recalled him or her during that period of service, the employee is not entitled to reemployment following the period of service simply because he or she is a covered employee. Reemployment rights under USERRA cannot put the employee in a better position than if he or she had remained in the civilian employment position.

Discrimination and/or Retaliation Prohibited

15. Denial of initial employment, reemployment, retention in employment, promotion or any other benefit of employment to a prospective or current university employee based on that individual's membership, application for membership, performance of service, application for service or obligation for service in the uniformed services is strictly prohibited.

The university will not discriminate against or take any adverse employment action against any person who has taken any action to enforce a protection offered under USERRA, has testified or made a statement in any proceeding involving a protection offered under USERRA, has assisted with an investigation under USERRA or who has exercised any right provided by USERRA.

An employee who enters military service during the probationary period shall be credited with days worked toward the completion of that probationary period. However, upon return from military service, the employee must complete the probationary period.

Prior to implementing new or changed work rules, policies, or other changes that materially affect wages, hours, or terms or conditions of employment of bargaining unit employees, the Employer will notify the Union seven (7) days in advance of the effective day of implementation. If the Union requests to bargain over such change within the notice period, the Employer and the Union will negotiate in good faith. If the Employer and the Union bargain to impasse, the parties may submit the issues to non-binding mediation. However, if the change is not a topic of bargaining under RC Chapter 4117, or in the case if the change is necessary due to exigent circumstances or a state or federal directive or regulation, the Employer is not required to give a seven (7) day notice or to bargain over the implementation of the change; however, the Employer may elect to do so if time permits, without waiving its rights.
