### RECOGNITION CLAUSE

**Section 1.1.** The Employer recognizes the Union as the sole and exclusive representative for the purpose of negotiating wages, hours, terms and other conditions of employment for the employees of the Employer in the bargaining unit. Where used in this Agreement “bargaining unit” shall be deemed to include those individuals employed full-time and regular part-time by the Employer as set forth in the SERB certification, Case No. 06-/REP-12-0179 and any amendments thereto.

**Section 1.2.** In the event the employer changes the duties of a position within the bargaining unit as determined by the Employer or in the event that the Employer establishes a new position, the Employer shall bargain with the Union over the subject of whether the new or changed position will be included in or excluded from the bargaining unit. If the Employer and the Union cannot agree on the bargaining unit status of the position in question, the parties may petition the State Employment Relations Board for a clarification of the bargaining unit pursuant to the provisions of Chapter 4117 of the Ohio Revised Code and O.A.C. Chapter 4117.

## ARTICLE 2

### NON-DISCRIMINATION

The Employer and the Union recognize their responsibilities under federal, state and local laws relating to civil rights and fair employment practices. The Employer and Union recognize the moral principles involved in the area of civil rights and reaffirm in this Agreement their commitment not to unlawfully discriminate against any bargaining unit employee based upon the employee’s race, color, religion, national origin, age, sex, sexual orientation, legally recognized physical or mental disability, gender identity, veteran status, or union affiliation.

The Employer and the Union recognize that the productive and satisfying work environment is one in which work is accomplished in a spirit of mutual trust and respect. Harassment is behavior that is offensive, impairs morale, undermines the integrity of employment relationships, and causes serious harm to the productivity, efficiency or stability of our organization. Harassment on the basis of a legally protected classification is expressly prohibited under this policy.

## ARTICLE 3

### MONTHLY DUES

**Section 3.1.** The Employer will deduct regular monthly dues from the pay of bargaining unit members in an active pay status, who are members of the Union upon receipt of individually signed authorizations on a form which has been approved by the Employer.

**Section 3.2.** The first such deduction will be made as soon as practical thereafter, but in no event later than thirty (30) days following receipt by the Employer of the dues deduction authorization. The Employer will provide the Union with a schedule of the deadline dates for submission of dues deduction authorizations. Dues deduction authorizations received in the Payroll Department prior to any deadline will be processed so as to provide the first dues deduction on the payday indicated on the schedule.

**Section 3.3.** The Union shall indemnify the Employer against any and all claims, demands, suits, or other forms of liability that shall arise out of or by reason of action taken or not taken by the Employer for the purpose of complying with the provisions of this Article.

**Section 3.4.** Within sixty (60) days following the effective date of this Agreement, the Employer will furnish to the Union a list of the number of employees in each position of employment/classification in which the Union has bargaining unit members. An additional list will be furnished bi-annually during the term of this Agreement. The Employer will provide the Union, on an annual basis, a list of all bargaining unit members' names, work addresses, and hourly rates of pay.

**Section 3.5.** When a bargaining unit member is taken off of active pay status and dues are not deducted, when a bargaining unit member returns to active pay status, the Employer shall reinstate dues deductions beginning with the date of return to work.

**Section 3.6.** The Employer agrees that during the life of this Agreement, it will continue to provide the Local Union President with alphabetical and departmental dues deduction rosters each month. In addition, the Employer will provide a monthly list of individuals who have been deleted from the previous month's dues deduction roster.

The Employer shall process and forward dues deduction to the Union by the 15th of the month immediately following the month deductions are made from the employees' paychecks.

**Section 3.7.** The Employer will deduct voluntary contributions to the CWA Committee on Political Education (COPE) from the pay of employees covered by this contract upon receipt from the Union of individual written authorization cards voluntarily executed by an employee provided that:

- A. An employee shall have the right to revoke such authorization by giving written notice to the Employer and the Union at any time and the authorization card shall state clearly on its face the right of an employee to revoke.
- B. The Employer's obligation to make deductions shall terminate automatically upon receipt of revocation of authorization or upon termination of employment or transfer to a position/job classification outside the bargaining unit.
- C. The contribution amount shall be certified to the Employer by the Union. The Union shall provide the Employer with thirty (30) days advance notification of any change in the contribution amount. Contributions shall be transmitted to the

Treasurer of COPE, CWA, 501 Third Street, N.W., Washington, DC 20001. This transmittal shall be accompanied by an alphabetical list of all employees for whom deductions have been made and the names of employees for whom deductions have been terminated.

- D. All COPE contributions shall be made as a deduction separate from the dues deductions.

## **ARTICLE 4**

### **NO STRIKE – NO LOCKOUT**

**Section 4.1.** The Union agrees that neither it, its officers, agents, representatives, or any employees covered by this Agreement will call, authorize, participate, or engage in any strike, work stoppage, boycott, stay-home or slowdown/withholding of services, as defined in O.R.C. §4117 during the term or extensions of this Agreement. Further, employees shall not participate in, promote, authorize, instigate, aid, condone or engage in any strike, unlawful picketing, boycott, stay-home, sit in, stand in, work stoppage, slowdown/withholding of services, curtailment or restriction of production or interference or interruption of work or other interference with the Employer's business, including but not limited to a general strike, a sympathy strike, a slow down or other interference or interruption of work or the employer's business or operation during the term or extensions of this Agreement.

**Section 4.2.** In all cases of strike, slowdown or work stoppage, boycott, stay-home or other interruption or interference of a like or similar nature with the work of the department, the local Union, upon being informed of such action, shall take immediate, affirmative action to inform the participating employees that their conduct is in violation of this Agreement and will also urge the employees to cease such activity.

**Section 4.3.** The Employer agrees that neither it, its officers, agents or representatives, individually or collectively, will authorize, instigate, cause, aid or condone any lockout of members of the Union.

**Section 4.4.** In the event that any employee or group of employees engages in any of the prohibited conduct described above in Section 4.1 during the term of this Agreement or any extensions thereto, the Employer has the right to discipline, up to and including discharge, any employee who engages or participates in such activities, subject to the grievance and arbitration procedure.

## ARTICLE 5

### MANAGEMENT RIGHTS

**Section 5.1.** The Union shall recognize the right and authority of the Employer to administer the business of the Agency, and in addition to other functions and responsibilities which are not specifically mentioned herein. The Union shall recognize the Employer has and will retain the full right and responsibility to direct the operations of the Agency, to promulgate rules and regulations and to exercise the prerogatives of management, and more particularly, including but not limited to the following:

1. To manage and direct its employees, including the right to select training, hire, promote, transfer, assign, evaluate, lay off, recall, reprimand, suspend, discharge, reward or discipline for cause, and to maintain discipline among employees;
2. To manage and determine the location, type, and number of physical facilities, equipment, programs, and the work to be performed, including implementation of necessary action in emergency situations;
3. To determine the Agency's budget, goals, objectives, programs, and services, and to utilize personnel in a manner designed to effectively and efficiently meet those purposes;
4. To determine the size and composition of the work force and the Agency's organizational structure, including the right to relieve employees from duty due to the lack of work, lack of funds, or abolishment of position;
5. To determine the hours, including overtime, work schedules, and to establish the necessary work rules for employees;
6. To determine when a job vacancy exists, the duties to be included in all job descriptions, and the standard of quality and performance to be maintained.

**Section 5.2.** The Union recognizes and accepts that all rights and responsibilities of the Veterans Service Commissioners not specifically modified by the Agreement or ensuing agreements shall remain the function of the Veterans Service Commissioners. However, the Union specifically retains its rights under Chapter 4117 of the Ohio Revised Code to bargain over wages, hours, terms and other conditions of employment and over management decisions as they affect wages, hours, terms and other conditions of employment.

## ARTICLE 6

### LABOR MANAGEMENT COMMITTEE

**Section 6.1.** The employer and the Union will meet quarterly (January, April, July, and October), if the need arises, to discuss matters of mutual concern should either party deem it necessary. The Employer and the Union may meet more frequently if necessary, by mutual agreement of the parties. The committee shall be composed of four (4) members: two (2) representing the Union and two (2) representing the Employer. No employee will suffer loss of wages due to attendance at Labor/Management committee meetings. The purpose of this committee is to discuss, explore, and study problems and processes and to improve services to the veterans of Franklin County; including discussing ways to improve the work environment of the agency referred to it by the parties to this Agreement. The committee, by mutual agreement, shall be authorized to make recommendations on those problems that have been discussed, explored, and studied.

Labor/Management committee meetings are not intended to be negotiation sessions to alter or amend the basic Agreement. The committee shall have no authority to change, delete, or modify any of the terms of the existing contract between the parties, or to settle grievances arising under the Agreement.

**Section 6.2.** Two (2) weeks prior to the scheduled date of the meeting the parties shall submit to the other party an agenda with a list of the issues they wish to discuss and the names of their representatives who will be attending. No meeting will be held if the Employer and the Union mutually agree that it is not necessary, and/or agendas were not submitted by the parties.

**Section 6.3.** The purpose of such meetings will be to:

- A. Discuss the administration of the Agreement;
- B. Notify the Union of changes to be made by the Employer which would affect the bargaining unit;
- C. Disseminate general information of interest to the parties;
- D. Discuss ways to increase productivity and improve efficiency;
- E. Consider and discuss health and safety matters relating to employees; and
- F. Discuss any other issues agreed to by the parties.

## ARTICLE 7

### UNION REPRESENTATION

**Section 7.1.** The Employer will recognize a Chief Steward for the purpose of investigating and

processing grievances and attending meetings in accordance with the provisions of this Agreement. The Union may designate two (2) alternate stewards to act in the absence of the Chief Steward. Only one of the alternate stewards may act in the absence of the Chief Steward at one time. When a vacancy of the Chief Steward position occurs, the Union president or his/her designee will serve as the Chief Steward until a new Chief Steward is designated. When a new Chief Steward is designated, the Union shall promptly notify the Employer of such appointment. In addition, the Employer agrees to recognize the President, Vice President, Secretary and Treasurer as officers of the Union and Union representatives. No employee shall be recognized as an officer, Steward, alternate Steward, or Union representative until the Union has presented the Employer with written notice of that person's selection or appointment.

**Section 7.2.** The Union shall be provided six (6) hours per month during regularly scheduled work hours for investigating and writing grievances, so long as it does not adversely interfere with the daily operations of the office. If more than six (6) hours is needed in a month, then the Chief Steward may request additional time for any one month. Approval will not be unreasonably denied under the following criteria:

1. It does not interfere with the daily operations of the office.
2. It does not occur in consecutive months.
3. It is supported by increased activity (e.g., multiple corrective actions or scheduled grievances).

In addition, attendance at grievance hearings by the grievant, the Chief Steward or alternate steward during working hours shall be without loss of pay. However, no more than a total of two (2) bargaining unit employees may attend the grievance hearing without loss of pay as designated by the Union. The grievant's, Chief Steward's, or the alternate steward's attendance for investigating and/or writing grievances, grievance hearings or pre-disciplinary hearings during regular work hours shall be without loss of pay. Grievance hearings and pre-disciplinary hearings shall be reasonably scheduled within regular working hours so as not to discourage attendance of the grievant, Chief Steward or alternate steward.

**Section 7.3.** Officers and Union representatives of Communications Workers of America, Local 4501, AFL-CIO, shall be recognized by the Employer and admitted to the Employer's facilities for the purpose of investigating and writing grievances and attending grievance hearings and pre-disciplinary hearings, upon reasonable notice to the Employer or its designee and so long as it does not interfere with the daily operations of the office.

**Section 7.4.** Rules governing the activity of Union representatives are as follows:

The Union shall not conduct Union activities pertaining to the investigation, writing or processing of a grievance in work areas without notifying the Director or his or her designee by electronic mail. No official of the Union, employee or non-employee shall interfere, interrupt, or disrupt the normal work duties of other employees. The Union further agrees not to conduct Union business during working hours except to the extent specifically authorized herein.

**Section 7.5.** One Steward or other employee Union representative designated by the President of the Union shall be allowed to attend Union Conventions or Local Union meetings. To the extent any such time is during such Steward or representative's scheduled working hours they shall be allowed to take vacation, and if vacation is exhausted, to take approved leave without pay up to five (5) working days if not disruptive to the Employer's operation.

**Section 7.6.** The Employer agrees to provide space for bulletin boards in agreed upon areas of the facility for use by the Union. The Union will provide locked bulletin boards one of which is to be placed in the break room for the use of the Union and its members.

Notices of Union meetings, elections, and announcements of Union activities and programs may be placed on the bulletin boards. In order to ensure awareness of the content placed on the bulletin boards, other notices will be initialed by the Union Steward and the Director prior to being placed on the bulletin board. It is also understood that no material may be posted on the bulletin boards at any time which is defamatory toward the Employer. Racial, religious, sexual, or other unlawfully discriminatory or offensive communications may not be posted on the bulletin boards.

**Section 7.7.** The Chief Union Steward or one of his/her alternate(s) if the Chief Steward is unavailable may utilize the county e-mail system solely for investigating and processing grievance(s) and pre-disciplinary hearing matters. The use of the Agency fax machine can only be used for processing grievances or preparation for a pre-disciplinary hearing within forty-eight (48) hours of the deadline to file a grievance, appeal a grievance, or prior to the pre-disciplinary hearing and after notification to the Supervisor of such need for the use. The Union shall make a reasonable effort to prepare for hearings, grievances, and appeals in advance of the forty-eight hour period to reduce the need for the use of the Agency fax. There shall be no expectation of privacy for any employee using the county e-mail system or the Agency fax machine. All e-mails from the county e-mail system may be subject to a public record request. The employer retains the right to audit the e-mail system and the use of the Agency fax machine for compliance.

## **ARTICLE 8**

### **CIVIL SERVICE LAW**

In accordance with Ohio Revised Code Section 4117.10(A), the terms and conditions of this Agreement specifically supersede and/or prevail over conflicting provision in the Ohio revised Code and/or the Ohio Administrative Code.

## **ARTICLE 9**

### **CORRECTIVE ACTION**

**Section 9.1.** In order for the Employer to maintain a desirable standard of employee conduct and level of productivity, certain policies must be enforced. The Director or his/her designee has the

responsibility of administering disciplinary policies concerning employees within the Agency. Some misconduct may justify immediate suspension or dismissal however, generally, the Employer follows the concept of progressive discipline. The Director or his/her designee may, at his/her discretion, forgo advancing to a higher level of progressive discipline in particular cases. Exercising this latter option shall not establish a precedent with respect to the disciplinary matters covered by this article. If an employee violates a work rule or policy, disciplinary action may be necessary, including the following steps:

1. An Oral Reprimand (documented) will be conducted with an employee if there is an indication of unsatisfactory work or poor behavior.
2. A Written Warning will be given to the employee to let the employee know where he has fallen short of the Employer's standards of conduct. Employees will also be told if their conduct has placed their jobs in jeopardy, and penalties for continued violations will be outlined.
3. A Three (3) Day Suspension without pay, by the Appointing Authorities.
4. A Five (5) Day Suspension without pay, by the Appointing Authorities.
5. Dismissal or Removal with notice of discharge, by the Appointing Authorities.

In all cases of oral reprimands, written warnings, and suspensions or removals, the employee shall be issued a copy of a notice of such and shall be informed that the order will be made a part of his/her personnel file. Employees may, at this point, file a response or objection to the disciplinary action. This response or objection will be placed in the employee's personnel file. Employees will be asked to sign any disciplinary notice, as proof that they received the notice.

In the case of any severe rule violation by an employee, the employee may be removed without prior warnings, following an investigation of the incident.

Employees, other than those serving a probationary period, will be permitted to attend a pre-disciplinary hearing with the Director or his/her designee prior to receiving a suspension or being removed.

**Section 9.2.** Non-probationary employees shall not be disciplined except for just cause.

**Section 9.3.** Whenever the Employer and/or his designee determines that there may be cause for an employee to receive a verbal recorded reprimand or a written reprimand, the employee and Union shall receive a copy of the reprimand.

**Section 9.4.** The Employer's investigation shall be completed in a reasonable time period; however it is agreed by the parties that when criminal charges are involved or when alleged violations of other local, state, or federal laws, or Veterans Service Commissioners' resolution warrants extensive investigation, or upon mutual consent of the parties, the investigation time period may be necessarily extended. When an employee is contacted by the Employer to be interviewed about allegations regarding the employee's work-related performance or conduct, the

employee will be informed verbally that he or she is the subject of an investigation that could lead to discipline except when potential criminal charges are involved. After the initial verbal notification of investigation, the Employer will provide written notification to the employee and the Union of the status of the investigation every thirty (30) days until the investigation is completed. Employer's failure to provide the verbal notification or written notification of the status of the investigation shall not be used to invalidate any subsequent discipline resulting from the investigation.

Whenever the Employer determines that there may be cause for an employee to be suspended or discharged, the employee and Union shall be apprised of the alleged charges in writing within 5 work days prior to the scheduled hearing, along with any supporting documentation available at that time.

Prior to the pre-disciplinary hearing with the Director, the Union, the employee, or the Supervisor may request a meeting to share available information and positions regarding the anticipated discipline. However, the Union or the Supervisor shall not be precluded from providing additional documentation or information at the pre-disciplinary hearing.

The Director shall conduct the pre-disciplinary hearing no later than thirty (30) days after the Supervisor's disciplinary recommendation has been submitted to him/her. The Union shall have the right to be present at any pre-disciplinary hearing or meeting to represent the employee.

**Section 9.5.** Any employee in disagreement with the disciplinary action taken by the Employer may file a grievance in accordance with the grievance procedure contained in this Agreement.

**Section 9.6.** All actions of record (oral reprimand (documented), written reprimands, suspensions, reductions and removals) will be permanently maintained in each bargaining unit member's personnel file subject to the Agency's records retention schedule. In addition, the following provisions apply:

A. In any case in which an action of record is disaffirmed by an arbitrator, or by a court of competent jurisdiction, or where a settlement agreement so requires, such action of record shall not be considered in any further action.

B. An Oral Reprimand (documented) shall not be used for any purpose if twelve (12) months have passed since the date of the reprimand, provided that the employee has had no further disciplinary action during this period. This provision shall be applied retroactively such that it applies to all existing disciplinary documentation contained within the employee's personnel file.

C. Written reprimands shall not be used for any purpose if eighteen (18) months have passed since the date of the reprimand, provided that the employee has had no further disciplinary action during this period. This provision shall be applied retroactively such that it applies to all existing disciplinary documentation contained within the employee's personnel file.

D. Suspensions of three (3) days or less shall not be used for any purpose if three (3) years have passed since the date of the suspension, provided that the employee has had no further

disciplinary action during this period. This provision shall be applied retroactively such that it applies to all existing disciplinary documentation contained within the employee's personnel file.

E. Suspensions of more than three (3) days shall not be used for any purpose if five (5) years have passed since the date of the suspension, provided that the employee has had no further disciplinary action during this period. This provision shall be applied retroactively such that it applies to all existing disciplinary documentation contained within the employee's personnel file.

## ARTICLE 10

### GRIEVANCE AND ARBITRATION PROCEDURE

**Section 10.1.** The term "grievance" shall mean an allegation by the Union that there has been a breach, misinterpretation, or improper application of this Agreement. The grievance procedure shall not be used to affect changes in the Articles of this Agreement, nor those matters not covered by the Agreement. The grievance procedure shall be the sole and exclusive remedy for resolving disputes between the Parties, except that as to disciplinary matters, grievances pertaining to a verbal or written reprimand may only be appealed through Step 2 of the grievance procedure. A grievance pertaining to a suspension or removal shall automatically commence at Step 3 of the grievance procedure, and is subject to Step 4, arbitration. The only recourse for a suspension or removal is through the grievance and arbitration procedure. Employees cannot appeal a suspension or removal to the State Personnel Board of Review.

**Section 10.2.** All grievances must be timely processed at the proper step in order to be considered at subsequent steps. The Union may withdraw a grievance at any point by submitting in writing a statement to that effect, or by permitting the time requirements at any step to lapse without further appeal. Any grievance which is not submitted by the Union within the time limits provided herein shall be considered resolved based upon management's last answer. Any grievance not answered by management within the stipulated time limits shall be moved to the next step. All time limits on grievances may be extended upon mutual written consent of the Parties.

**Section 10.3.** It is the mutual desire of the Employer and the Union to provide for prompt adjustment of grievances, with a minimum amount of interruption of the work schedule. The Employer and the Union agree to make a responsible effort to affect the resolution of grievances at the earliest step possible. In furtherance of this objective, the following procedure shall be followed:

**Step 1:** In order for an alleged grievance to receive consideration under this procedure, the grievant, either alone or with the appropriate Union Steward, if the former desires, or the Union in cases of class action grievances, must identify, in writing, signed by the grievant and/or the Union Steward, the alleged grievance to the affected employee's immediate Supervisor within ten (10) work days after the employee or the Union gains knowledge of the occurrence giving rise to the grievance. The grievance shall identify the particular articles and sections of the Agreement alleged to have been violated. The immediate

Supervisor shall investigate and provide an appropriate answer within seven (7) work days following the date on which the immediate Supervisor was presented the written grievance.

If the grievance involves the employee's immediate Supervisor, the grievance may be filed directly at Step 2 of the grievance procedure.

Step 2: If the grievance is not resolved in Step 1, the grievance shall be appealed to a Senior Leader Team Member, excluding the Director, within five (5) work days of receipt of the Step 1 answer. The Senior Leader Team Member, excluding the Director, shall have ten (10) work days in which to schedule a Step 2 grievance meeting with the aggrieved employee and his Steward. The Senior Leader Team Member, excluding the Director, shall investigate and respond in writing to the grievant, the Union Steward, and the Local Union President within ten (10) work days following the meeting date.

Step 3: If the grievance is not resolved in Step 2, the appropriate Union Steward may appeal the grievance to the Director within five (5) work days after receiving the Step 2 answer. The Director shall have fourteen (14) work days in which to schedule a meeting with the aggrieved employee, the Local Union President or designee, and the Steward. The Director shall investigate and respond to the grievant and the Union Steward within ten (10) work days following the Step 3 meeting.

Step 4: Arbitration. If the grievance is not satisfactorily settled in Step 3, the Union may make a written request that the grievance be submitted to arbitration. A request for arbitration by the Union must be submitted within thirty (30) calendar days following the date the grievance was answered in Step 3 of the grievance procedure. In the event the grievance is not referred to arbitration by the Union within the time limit prescribed, the grievance shall be considered resolved based upon the Step 3 reply. The Union shall request a list of seven (7) impartial arbitrators from the Federal Mediation and Conciliation Service (FMCS) and shall submit a copy of such request to the Employer. If the Union fails to request the list within seven (7) calendar days of the Union's request for arbitration, the grievance shall be considered to have been resolved. Upon receipt of the list of seven (7) arbitrators, the Parties shall meet to select an arbitrator within twenty-one (21) calendar days (the "Meeting Period"). The Parties may mutually agree in writing to extend the duration of the Meeting Period. However, if the Parties do not select an arbitrator during the Meeting Period, the grievance shall be considered to have been resolved. If the Parties are unable to mutually agree on an arbitrator, an arbitrator will be selected by the Parties by alternative strike, with the Parties' right to strike the first name being determined by a flip of a coin.

The arbitrator shall hold the arbitration hearing, as soon as practical, but at least within sixty (60) days after being selected and issue his/her decision within thirty (30) days after the closing of the record, unless mutually agreed otherwise by the Parties. The arbitrator shall limit his decision strictly to the interpretation, application, or enforcement of those specific articles and/or sections of this Agreement in question. The arbitrator shall not have the authority to add to, subtract from, modify, change, or alter any provision of this Agreement, nor add to, subtract from, or modify the language therein in arriving at this

determination on any issue presented that is proper within the limitation expressed herein. The award of the arbitrator will be final and binding upon the Parties.

The arbitrator's award and the arbitration proceedings identified in this Article are subject to the relevant provision of Chapter 2711 of the Ohio Revised Code.

All costs directly related to the services of the arbitrator shall be borne equally by the Parties. If the Parties cannot agree upon appropriate payment, that matter will be referred back to the arbitrator for a decision on payment. Expenses of any witnesses shall be borne, if any, by the party calling the witnesses. The fees of any court reporters shall be paid by the party asking for same, such fees shall be split equally if both Parties desire a court reporter's recording or request a copy of any transcript. If a grievance is settled prior to any scheduled arbitration hearing, the Parties shall split the cost of any cancellation fees. Employees, Stewards, or Union officers requested to appear at the arbitration hearing by either party, and whose presence is necessary, shall attend without necessity of a subpoena. Employer shall compensate an employee who is on duty and scheduled to work at the time of the arbitration hearing, and whose attendance is necessary and required by either the Union or the Employer at the employee's applicable rate of pay, solely for the period of time it is necessary for him to attend and testify at the hearing. Employees who have been terminated or have been suspended without pay are not eligible to receive payment for the time they appeared during the hearing, unless the Parties agree to pay the employee, or an arbitrator specifically grants a back-pay award covering the period of time the employee would have normally been scheduled to work. Where practicable, the employee witness shall be placed on call for purposes of his attendance at an arbitral hearing, so the employer does not necessarily incur increased costs.

It is agreed that any request for attendance shall be made in good faith.

**Section 10.4.** All grievances should contain the following information and will be filed using the grievance form mutually agreed upon by both Parties.

1. The aggrieved employee's name and signature.
2. The aggrieved employee's position.
3. Date grievance was first discussed and name of immediate Supervisor with whom the grievance was discussed or if the grievance involves the employee's immediate Supervisor, the name of the Senior Leader Team Member with whom it was discussed.
4. Date grievance was filed in writing.
5. Date and time grievance occurred.
6. Location where the grievance occurred.
7. Description of the incident giving rise to the grievance.

8. Specific articles and sections of the Agreement violated.
9. Desired remedy to resolve the grievance.

Amendments to a grievance shall not be made other than by mutual agreement of the Parties, once a request for arbitration has been submitted.

**Section 10.5.** A grievance may be brought by an employee covered by this Agreement with the appropriate Union Officer, Committee Person, or Steward; where a group of bargaining employees desire to file a grievance involving an incident affecting several employees in the same manner. One employee shall be selected by the group to process the grievance with the appropriate Union Officer, Committee Person, or Steward. Each employee to be included in such grievance shall be named on the grievance.

**Section 10.6.** Any grievance originating from a level above Step 1 of the grievance procedure may be submitted directly to the step or level, from which it originates, by mutual agreement of the Parties or as otherwise provided for in Section 10.3.

**Section 10.7.** For the purposes of this Article, work days shall typically be defined as Monday through Friday, and shall exclude Saturday, Sunday, and recognized holidays, except when a particular employee is regularly scheduled to work on days other than Monday through Friday.

## **ARTICLE 11**

### **RULES AND REGULATIONS**

The Employer shall implement work rules and regulations. Copies of all departmental work rules, regulations, policies and procedures shall be given to each bargaining unit member and to the Union. Any changes in the departmental rules, regulations, policies and procedures shall be given promptly to the employees and the Union upon adoption.

## **ARTICLE 12**

### **PROBATIONARY PERIODS**

**Section 12.1.** Every newly hired employee will be required to successfully complete a probationary period. The probationary period for new employees shall begin on the first day for which the employee receives compensation from the Employer and shall continue for a period of one hundred eighty (180) days. The probationary period may be extended up to thirty (30) days by mutual agreement of the Employer, the employee and the Union.

**Section 12.2.** A newly promoted employee will be required to successfully complete a probationary period in his newly appointed position. The probationary period for a newly promoted employee shall begin on the effective date of the promotion and continue for a period of

one hundred twenty (120) days. The probationary period for promoted employees may be extended up to thirty (30) days by mutual agreement of the Employer, the employee and the union. Employees who fail promotional probation will be returned to their former position.

**Section 12.3.** A probationary employee's performance will be evaluated after sixty (60) days of employment and at the end of their probationary period.

## **ARTICLE 13**

### **SENIORITY**

**Section 13.1.** "Seniority" shall be computed on the basis of uninterrupted length of continuous service with the Franklin County Veterans Service Commission.

**Section 13.2.** An approved leave of absence does not constitute a break in continuous service provided the employee follows the proper procedure for such leave and returns to active service immediately following the expiration of the approved leave.

**Section 13.3.** During January of each calendar year that this Agreement is in effect, the Employer will furnish the Union a list of all bargaining unit employees' seniority. The Union will have thirty (30) days from receipt of that list to notify the Employer of any corrections to be made.

**Section 13.4.** If two (2) or more employees have the same hire date, than seniority shall be determined in the following manner:

- A. The employee with the earliest date of application shall be determined the most senior.
- B. If there still exist two (2) or more employees with the same seniority after application of Section 13.4 above, than seniority shall be determined by time of military service.
- C. Any partial time served shall be calculated to reflect all continued service time with the FCVSC.

## **ARTICLE 14**

### **HOURS OF WORK AND OVERTIME**

**Section 14.1.** This article is intended to define the normal hours of work per day or per week in effect at the time of execution of this Agreement. This article is intended to be used as the basis for computing overtime and shall not be construed as a guarantee of either hours of work per day or hours of work per week.

**Section 14.2.** Should the Employer desire to alter the normal workweek or workdays as described herein, the Employer will first discuss and negotiate such alteration with the Union.

**Section 14.3.** The standard workweek for all full-time employees covered by the terms of this Agreement shall be forty (40) hours, which shall normally consist of five (5) days of eight (8) hours per day Monday through Friday, exclusive of a one (1) half hour lunch period. The work week shall commence at 12:01 a.m. Sunday of each calendar week and end at 12:00 midnight the following Saturday.

When emergency circumstances require an employee to work in excess of the normal forty (40) hour workweek, work schedules for that week will not be altered to intentionally avoid payment of overtime unless mutual agreement occurs between the affected employee, the Union and the Employer.

**Section 14.4.** For the purposes of computing overtime, an overtime eligible employee will receive overtime compensation for hours actually worked in excess of forty (40) hours per workweek. For the limited purpose of calculating overtime in this section hours worked includes paid holidays. When an employee is required by the Employer to work more than forty (40) hours in a calendar week, as defined in Section 14.3 above, the employee shall be paid overtime for such time over forty (40) hours in a calendar week at one and one-half (1½) times his or her regular rate of pay. Compensation shall not be paid more than once for the same hours under any provision of this article or Agreement.

**Section 14.5.** Bargaining unit employees will normally be permitted two (2) fifteen (15) minute paid breaks per workday. One break will be taken in the morning, one in the afternoon. Loss of break will not result in the carry-over of any missed break time.

**Section 14.6.** Overtime opportunities that arise from causes other than employee's normal workload shall, to the extent possible, be equally divided between the employees who normally perform the type of work available

**Section 14.7.** In lieu of overtime pay, as provided in Section 14.4 above, an employee may elect to take compensatory time with prior authorization from the Director or his designee, at the rate of one and one-half (1-1/2) hours compensatory time off for each hour of overtime worked. Compensatory time must be used within One-Hundred Eighty (180) days after earning such time. Compensatory time off will be granted at a time mutually convenient to the employee and the Employer. The Employee must submit a written request on a standardized form and receive approval from the Employer prior to taking compensatory time off. Employees who quit, retire or are terminated shall be paid for all accrued but unused compensatory time at their then current hourly rate.

## ARTICLE 15

### MILITARY LEAVE

A short-term military leave of absence shall be granted to employees for a period not to exceed twenty-two (22) working days in a year. Prior approval for leave must be obtained from the Director and a request for leave must be submitted to the Director in writing. To qualify for this leave, the employee must show his/her military orders to his/her Director prior to reporting to duty.

The employee shall be paid his/her regular rate of pay for this period. For the purpose of computing vacation or sick leave, short-term Military Leave will count as full service with the County.

Extended voluntary military leave, beyond twenty-two (22) working days in a year, shall be granted to employee without pay upon submittal of military orders prior to the requested leave so long as the extended period of leave does not interfere with the mission of the Agency.

Extended voluntary military leave without pay shall receive seniority for the time spent in the military service contingent upon their return to work. However, vacation credits and sick leave do not accumulate during the extended voluntary military leave. Upon returning from such leave and upon making timely application for reemployment pursuant to the Uniform Service Employment and Re-Employment Rights Act, an employee shall be returned to his/her former position or equivalent position of employment and responsibility. Such a returning employee will receive any wage adjustments that the employee would have clearly earned had the employee been in active pay status.

Employees who are called to active military duty beyond the required twenty-two (22) paid working days in any one (1) calendar year pursuant to an executive order issued by the President of the United States or an act of Congress, shall be granted an active duty military leave of absence and will receive the following:

Payment of wages in the amount of his/her regular wages less whatever amount such employee may receive as military pay.

Such payment will be made to the affected employee from the time short-term military leave of absence with pay is exhausted until the end of each calendar year the employee is still in active status or for the duration of the employee's service in the active military, whichever time period is less.

The employee will not receive payment under this provision if his/her military pay is greater than his/her wages paid by the County.

An employee, who is otherwise eligible for such benefits, shall continue to receive health and life insurance benefits as defined by the County benefits plan for the duration of such employee's active military service under this provision.

Employees on active duty leave under this provision shall receive seniority for the time spent in active duty. However, vacation credits and sick leave do not accumulate during an active duty leave.

Upon returning from an active duty leave and upon making timely application for reemployment, pursuant to the Uniform Service Employment and Re-Employment Act, an employee shall be returned to his/her former position or equivalent position of employment and responsibility. Such a returning employee will receive any wage adjustments that the employee would have clearly earned had the employee been in active pay status.

## **ARTICLE 16**

### **JURY DUTY LEAVE AND COURT LEAVE**

**Section 16.1.** Jury Duty Leave. Employees shall receive full pay during an absence of regularly scheduled working hours on any day when an employee is required to appear for jury duty by a federal court or a state court. Employee must provide a copy of the jury summons at the time he/she requests Jury Leave Duty.

An employee released from jury duty prior to the end of his or her scheduled workday, shall report to work for the remaining scheduled hours if at least two (2) hours of the workday remain.

**Section 16.2.** Court Leave. Employees subpoenaed as witnesses before any court, commission, board, agency, arbitrator or other legally constituted body or tribunal authorized by law to compel the attendance of witnesses, where the employee is not a party to, and has no material interest in the outcome of, the action shall receive full pay for regularly scheduled working hours missed due to complying with the subpoena. Any fees received by an employee for such activity shall be remitted to the Employer, unless such duty is performed totally outside scheduled working hours for such employee. Employee must provide a copy of the subpoena at the time he/she requests court leave.

Court Leave extends only for the duration of the matter which the employee is required to attend, plus a reasonable amount of time before and after for travel.

## **ARTICLE 17**

### **SICK LEAVE USAGE AND WELLNESS INCENTIVE**

**Article 17.1.** Sick Leave. Bargaining unit members will earn sick leave at the rate of 4.6 hours for 80 or more hours while on active pay status in any pay period. The time credited is strictly proportionate to the hours in paid status in each pay period up to the 4.6-hour limitation for any pay period. Sick leave accrual at the rate of 4.6 hours will be retroactive to January 1, 2007.

Sick leave is charged in minimum units of .0167 (1 minute). Employees are eligible for sick leave only for days on which they would otherwise have been scheduled to work. Sick leave payment will not exceed the normal work day or work week earnings.

Sick leave will be granted to employees, upon approval of the Director for the following reasons:

1. Illness or injury of the employee or a member of the employee's immediate family living in the same household or persons covered under the Family and Medical Leave of Absence policy. (In the case of a member of the immediate family not living with the employee, the Director may credit sick leave when it appears justified.)
2. Medical, dental or optical examination or treatment of the employee or a member of the immediate family living in the same household. (In the case of a member of the immediate family not living with the employee, the Director may credit sick leave when it appears justified.)
3. When, through exposure to a contagious disease, either the health of the employee would be jeopardized or the employee's presence on the job would jeopardize the health of others.

Employees failing to comply with sick leave rules and regulations will not receive sick pay; however, sick leave will not be unreasonably denied. Application for sick leave based upon a known misrepresentation shall result in disciplinary action up to and including dismissal and shall result in refund to the County of Salary or wage paid during sick leave. If an employee is off more than three (3) days on sick leave, the employee must provide a written doctor's excuse to his/her Supervisor. Falsification of, or a failure to produce a doctor's excuse shall be grounds for disciplinary action up to and including dismissal.

If the Employer has a reasonable basis to believe an employee sought sick leave based upon a known misrepresentation, it may, at its discretion, require the employee to provide a written doctor's excuse to his/her Supervisor to verify the illness. Falsification of, or a failure to produce a doctor's excuse shall be ground for disciplinary action up to and including dismissal.

Upon retirement, resignation or death, from active County service after eight (8) or more years with the County or with any of Ohio's political subdivisions, an employee may elect to be paid in cash for one-fourth (1/4) of the accrued but unused sick leave credit up to a maximum of 360 days, and subject to the limitations indicated below. This payment will be based upon the employee's rate of pay at the time of retirement. Upon accepting such payment, all other sick leave credit accrued up to that time will be eliminated.

Upon retirement, resignation or death, from active County service after eighteen (18) or more years with the County or with any of Ohio's political subdivisions, an employee may elect to be paid in cash for one-half (1/2) of the accrued but unused sick leave credit subject to the limitations indicated below. This payment will be based upon the employee's rate of pay at the time of retirement. Upon accepting such payment, all other sick leave credit accrued up to that time will be eliminated.

Such payment will be made only once to any employee. That is, an employee who returns to County Service after retirement, termination or resignation may accrue and use sick leave as before, but may not convert the unused sick leave at the time of a second retirement.

Payment for Sick Leave Credit eliminates all accrued Sick Leave Credit earned by the employee up to the time of conversion.

All employees hired after this agreement goes into effect will only be able to transfer to this employer sick leave previously accumulated while working for any Franklin County entity or department.

**Section 17.2.** Wellness Program. The Employer shall maintain a Wellness Incentive Program as an incentive to minimize sick leave and increase attendance. The wellness period will commence during the first day of the pay period in which December 1, 2007 falls. All new full-time employees hired after December 1, 2007 are eligible for the program beginning with the next twelve (12) month wellness period following their date of hire. Based upon the following schedule, certain eligible full-time employees will be permitted to convert a determined amount of unused sick leave to either a cash payout, or to an equal number of personal leave hours.

1. If a full-time employee uses 8 hours or less of sick leave during a wellness period, the employee may convert up to 40 hours of sick leave to either a cash payout, or to personal leave hours.
2. If a full-time employee uses between 8.25 and 16 hours of sick leave during a wellness period, the employee may convert up to 32 hours of sick leave to either a cash payout, or to personal leave hours.
3. If a full-time employee uses between 16.25 and 24 hours of sick leave during a wellness period, the employee may convert up to 24 hours of sick leave to either a cash payout, or to personal leave hours.
4. If a full-time employee uses between 24.25 and 32 hours of sick leave during a wellness period, the employee may convert up to 16 hours of sick leave to either a cash payout, or to personal leave hours.
5. If a full-time employee uses between 32.25 and 40 hours of sick leave during a wellness period, the employee may convert up to 8 hours of sick leave to either a cash payout, or to personal leave hours.

If an employee elects to convert the hours to personal leave days, the employee must utilize the personal days within the wellness period that follows the period in which the personal days were earned.

On December 1 of each year, each department's payroll officer will notify employees who are eligible for the sick leave conversion programs and provide them with a "Request to Convert Sick Leave to Personal Leave" or "Request to Convert Sick Leave to Cash Payout" form. If the Employer is aware of an eligible employee's selection for a cash payout, the cash payout will be

issued to the employee in his/her second paycheck in December.

### LEAVES OF ABSENCE

**Section 18.1.** The Commissioners recognize that exceptional circumstances may arise which require an employee to take time off. An example is a new employee becoming a parent before attaining eligibility for FMLA benefits and prior to accruing significant balances of paid leaves. Authorized leave of absence without pay (LWOP) could include an absence for which you do not use holiday time, your accrued paid leave (sick, vacation, personal), your FMLA entitlement, or other paid leaves. Authorized leave requires approval which is granted at the sole discretion of the Commissioners. The Director or his/her designee may recommend approval to the Commissioners for personal, medical, military, or other reasons subject to final approval by the Commissioners.

- For LWOP of two weeks or less, approval has been delegated to the Director or his/her designee.
- For LWOP of more than two weeks, approval must be authorized by the Commissioners.

#### Request LWOP

You may request leave without pay on a Request for Leave form. Give the form to the Director or his/her designee:

- Provide at least 2 weeks in advance, if possible.
- Include the reasons for the leave.
- Include start of leave and return to work dates.

#### Approval Considerations

Criteria for considering requests for a leave of absence without pay include the reason, the duration, and the needs of the department and impact on operations. If the LWOP is for medical reasons, you must furnish a Medical Certification form.

#### Duration

An authorized LWOP typically will be granted for twelve (12) weeks or less. Time on LWOP shall not be counted as time in service for purposes of determining seniority or vacation rights. Time in authorized LWOP status runs concurrently with FMLA leave, if applicable.

Leave may be extended beyond twelve (12) weeks. (*Requires written recommendation of the Director and with the approval of the Commissioners.*)

LWOP for medical purposes typically does not exceed six (6) months. Generally, you need to provide medical certification documenting a date when you will be able to return to work within the six (6) months.

#### Health Care Insurance

If you are enrolled in the County's health care insurance benefit program, you may continue health care coverage while on LWOP. Contact your Payroll Officer to find out how to continue paying your share of the premium while on leave or upon your return.

#### Return to Work

When you return from a leave, you will be returned to the same position or classification held prior to the leave. If the LWOP was for a medical reason, you must furnish a medical release form to be returned to work (see Medical Certification and Fitness for Duty). Failure to return to work on the first workday following the end of a leave will place you in an unauthorized leave without pay status and could result in disciplinary action.

**Section 18.2. Maternity Leave.** The law provides that maternity leave shall be treated in the same manner as any other short-term disability. An employee may request a leave of absence without pay for maternity purposes by submitting such request in writing to the Employer along with a signed physician's statement.

- A. The leave of absence will begin on the date the physician states that the employee can no longer perform the substantial portion of her duties.
- B. The leave of absence will end on the date on which the physician releases the employee as medically able to return to work.
- C. An employee's health benefits will remain in effect while the employee is on medically authorized and documented maternity disability leave, as long as the employee continues to pay their portion of the monthly premium for health insurance coverage. An employee may use accrued sick leave and vacation leave while on maternity leave up to a period of six (6) weeks unless medical documentation supports extension on leave beyond six (6) weeks. Leave Without Pay may also be requested for maternity leave. Maternity Leave is not in addition to Family Medical Leave, therefore if twelve (12) weeks of maternity leave is utilized as a consequence of documented medical complications, all Family and Medical Leave is exhausted. When a leave qualifies under the Maternity Leave Policy and the Family and Medical Leave Policy, Family and Medical Leave shall be utilized rather than Maternity Leave. Time off for Maternity Leave shall be counted against any available Family Medical Leave.
- D. No later than thirty (30) days after delivery, the employee will notify the Employer in writing, of her desire to return to work and her anticipated date of return. Employees who desire to return to work shall be placed in their original position or a substantially equivalent position, at the applicable rate of pay.
- E. For the duration of Maternity Leave, the Employer will maintain the employee's health coverage under the "group health plan" under the same circumstances and costs to employees that coverage would have been provided if the employee would have been working and had not taken leave. The employee will be required to pay back the Employer health insurance premiums paid by the employer during a

maternity leave if the employee does not return to work at the end of the County approved leave.

**Section 18.3. Family and Medical Leave of Absence.**

The Employer will adopt and implement the most current Franklin County Board of Commissioners' FMLA policy in its Employee Handbook in a prompt and timely manner.

**Section 18.4.** If it is found that leave is not actually being used for the purpose for which it was granted, the Employer may cancel the leave and direct the employee to return to work by giving written notice to the employee. An employee may return to work before the scheduled expiration of leave if requested in writing by the employee and approved by the Employer.

**Section 18.5.** All leaves of absence (and any extensions thereof) must be applied for in writing and, if granted, will be granted in writing on forms provided by the County (copy to the employee). An employee will be notified within five (5) working days from the date application was made.

## ARTICLE 19

### TUITION REIMBURSEMENT POLICY

**Section 19.1.** Employees are encouraged to further their education in keeping with the Veteran Service Commissioners' commitment to improve employee skills within the County. The following Tuition Reimbursement Policy is designed to encourage employees to take educational course work that will enhance their job performance.

**Section 19.2. Who is eligible?**

Any full-time employee of the Veterans Service Commission who has completed six (6) months or more of continuous active service prior to the start of the course(s) shall be eligible for tuition reimbursement in courses of instruction voluntarily undertaken. However, no employee on an unpaid leave of absence, unauthorized leave of absence, disability leave, or injury leave may apply for tuition reimbursement.

**Section 19.3. What courses can be taken?**

There must be a correlation between the employee's duties and responsibilities and the courses taken or the degree program pursued. This decision will be made by the Veterans Services Commissioners. An employee seeking approval of a degree program (as opposed to individual courses) must present certification from the educational institution of his/her acceptance to the specific degree program for which approval is sought. The employee may be required to submit additional certification to demonstrate that an individual course is approved by the educational institution as a part of the degree program previously approved.

**Section 19.4. Where may course work be taken?**

Institutions must be located, or courses of instruction given, within Franklin County or adjoining counties. Courses must be taken at accredited colleges, universities, technical and business

institutes at their established extension centers or online. Seminars, conferences, and workshops are not included.

**Section 19.5. When may course work be taken?**

All courses must be taken during other than scheduled working hours. All scheduled hours for courses of instruction must be filed with the Director or his/her designee. All courses are subject to approval by the Veterans Service Commissioners. Any situation which, at the discretion of the Director or his/her designee, would require an employee's presence on the job shall take complete and final precedence over any times scheduled for courses.

**Section 19.6. Application Procedures:**

Applying to participate in the tuition reimbursement program:

Tuition reimbursement applications may be obtained from the Director or his/her designee. The application is to be completed by the employee and must be approved by the Director or his/her designee and by procedures established by the Veterans Service Commissioners. Courses for which application is made must be the same courses for which reimbursement ultimately is sought; the employee cannot switch classes without prior approval of the Director or his/her designee. For final approval, applications for approval of institutions and courses, along with a purchase order, must be sent to the Veterans Service Commissioner's Office by the Director or his/her designee not more than thirty (30) calendar days or less than ten (10) calendar days prior to the start of the course(s). Employees may be required to submit a course catalog and fee schedule, if requested. Acknowledgment of approved or disapproved applications will be sent to the Director or his/her designee prior to the start of the course. Employees must notify the Director or his/her designee when canceling a class after the application has been approved.

**Section 19.7. Financial Assistance.**

If an employee is eligible to receive financial assistance from any governmental or private agency for the quarter, semester, or trimester applied for, whether or not applied for and regardless of when such assistance may be received, that amount shall be deducted in the entire amount from the full tuition reimbursement the employee is eligible to receive from the County. If an employee's tuition is fully covered by another governmental or private agency, then the employee is not entitled to any payment from the County.

**Section 19.8. Obtaining Reimbursement.**

Reimbursement for tuition will be made when the employee presents the following documents from the institution to the Director or his/her designee, which will be forwarded to the accounts payable department:

An official certificate or a grade report confirming satisfactory completion of the approved course, i.e., grade of "C" or better;

A fee card or statement of account;

A receipt of payment; and

A completed employee expense report form.

This should be done within four (4) weeks of course completion. The Director or his/her designee will forward this information on a voucher to the Veterans Service Commissioner's Office. Reimbursement shall be for the cost of instructional fees only. No reimbursement will be granted for books, lab fees, paper, supplies of whatever nature, transportation, meals or any other expense connected with any course.

**Section 19.9. Payment Schedule for Tuition Reimbursement.**

Reimbursement for instructional fees will be based upon successful completion of the course. Instructional fees will be reimbursed up to \$5,000 in any calendar year. These amounts are based on courses approved in a calendar year. In other words, reimbursement is applicable to the calendar year in which courses are approved and satisfactorily completed. Successful completion shall mean obtaining a grade of "C" or better. If the course is failed or a grade of "D" or lower is received, the County will not pay any tuition reimbursement. If an employee is voluntarily or involuntarily separated from employment with the Veterans Service Commissioners for any reason during the duration of this course(s), reimbursement for tuition will not be paid by the County. This includes courses recently completed but not yet reimbursed.

Any employee participating in the tuition reimbursement program who resigns or retires or is removed for cause must repay the tuition reimbursement paid by the County for course(s) completed less than two (2) years prior to the date of separation or removal. The employee will be invoiced for the tuition assistance reimbursement amount.

**ARTICLE 20**

**LAYOFFS / RECALL**

**Section 20.1.** Whenever it is necessary because of lack of work or funds, or whenever it is advisable in the interest of the economy or efficiency to reduce the work force of the Franklin County Veterans Service Commission, all probationary employees shall be laid off by reverse seniority before any other bargaining unit member. All other bargaining unit members shall be laid off by reverse seniority within the two job classifications. "Classifications" for the purpose of this Article shall be defined as "Service job titles" and "Administrative job titles."

**Section 20.2.** When overall seniority of two (2) or more employees is equal, the employees shall be laid off according to length of service in the position.

**Section 20.3.** The employees to be laid off and the Union shall be given a minimum of two (2) weeks advance written notice of a layoff, indicating the circumstances which make the layoff necessary.

**Section 20.4.** In the event an employee is laid off, they shall receive payment for earned but unused vacation and for unpaid overtime. Unused and accrued sick leave shall be made payable upon request to the bargaining unit member after exhaustion of the recall period if the bargaining unit member was not recalled back to work or if the bargaining unit member waives their right to recall in writing. Sick leave shall be paid out according to County policy.

**Section 20.5.** The Commission shall recall laid off employees by seniority, beginning with the most senior employee in the affected classification and progressing to the least senior employee in the affected classification up to the number of employees to be recalled. An employee shall be eligible for recall for a period of twelve (12) months after the effective date of the layoff.

**Section 20.6.** An employee on layoff will be given ten (10) business days' notice of recall from the date on which the Commission sends the recall notice to the employee by certified mail to their last known address as shown on the Commission's records. In the event an employee does not respond during the ten (10) business day period, they shall be terminated, unless satisfactory excuse is shown.

**Section 20.7.** Employees on layoff shall be given right of first refusal for any temporary or part-time assignments within the bargaining unit qualified for the position and only when the temporary or part time assignment is hired during the period of time any bargaining unit employee is on layoff.

Employee(s) on layoff shall be given ten (10) business days' notice of an available temporary or part time assignment by certified mail to their last known address as shown on the Commission's records. The certified mail shall be sent on the same day as the internal posting of the position in accordance with Article 21 titled Job Postings. The employee shall have ten (10) business days to respond to the notice. In the event an employee does not respond during the ten (10) business day period, they shall be deemed to have waived their right of first refusal under this article, unless satisfactory excuse is shown.

## **ARTICLE 21**

### **JOB POSTINGS**

When a vacancy occurs within the bargaining unit and the Employer decides to fill said vacancy, the Employer shall notify the union, and post the vacancy within thirty (30) days from the time the position becomes vacant. A job vacancy for a position within the bargaining unit shall be posted for a minimum of five (5) working days on designated bulletin boards, including the union bulletin board, in the Veterans Service Commission office. All internal applicants, who meet the minimal qualifications for the position, shall be given an interview.

<sup>1</sup> The 40 hours referenced in Art. Sec. 22.1.4 is added to the employee's vacation leave balance only on the occasion of the accrual of five (5) years of employment, and does not otherwise change the employee's vacation leave accrual rate.

<sup>2</sup> The 40 hours referenced in Art. Sec. 22.1.5 is added to the employee's vacation leave balance only on the occasion of the accrual of ten (10) years of employment, and does not otherwise change the employee's vacation leave accrual rate.

the right to use accrued vacation leave up to 40 hours. Further, when an employee has completed one year of service, he or she will be entitled to 80 hours of vacation leave minus any leave used prior to that time.

An employee shall have his/her prior service with a state, federal, county, and municipal corporation, or Township counted for the purpose of computing the amount of the employee's vacation leave accrual rate. Military or uniformed service shall not be considered federal service for the purposes of this article. Additionally, if an employee previously retires from a job with the federal government, such prior service time will not be considered federal service for the purposes of the vacation accrued. Vacation is credited each biweekly period. At the rate of 3.1 hours per pay period for those entitled to 80 hours of vacation per year; at the rate of 4.6 hours per pay period for those entitled to 120 hours of vacation per year; at the rate of 6.2 hours per pay period for those entitled to 160 hours of vacation per year; at the rate of 6.9 hours per pay period for those entitled to 180 hours of vacation per year; and at the rate of 7.7 hours per pay period for those entitled to 200 hours of vacation per year.

Under no circumstances may any employee accumulate or be paid for vacation leave in excess of the total accrual for three (3) years plus vacation accrued in the current year.

No vacation leave shall be carried over for more than three (3) years. An employee is entitled to compensation at the employee's current rate of pay for the prorated portion of any earned, but unused, vacation leave for the current year to the employee's credit at the time of separation, and in addition, shall be compensated for any unused vacation leave accrued to the employee's credit for the three (3) years immediately preceding the last anniversary date of employment. The maximum carryover on an employee's anniversary date of employment is three (3) years of vacation accrual. Employees can continue to accrue vacation for the current year without forfeiting vacation. The maximum amount of vacation accrual is three (3) years plus the current year's accrual.

All vacations shall be scheduled and approved in advance by the Director or his/her designee, as deemed appropriate. On or before October 15<sup>th</sup> the vacation request calendar will be opened up for employees to add their vacation requests for the upcoming year. The vacation request calendar will be closed on or about November 15<sup>th</sup>. The Director or his/her designee will approve or deny the requests by stating so on the vacation request calendar by December 15<sup>th</sup>. All approved leave requests will be submitted by the employees in writing by using the Request for Leave Form to Payroll by December 31<sup>st</sup>.

Employees who subsequently change or add to their vacation requests shall be scheduled for vacation on a first-come, first served basis, with the approval of the Director and as long as it does not negatively impact the operations of the Employer. Additionally, a subsequent change or addition to the vacation requests shall not displace the established vacation schedules of any other employee. Employees must give at least twenty-four (24) hours' notice to the Director prior to taking vacation leave. Extended vacations, five (5) working days or more, should be requested thirty (30) days in advance. If an employee wishes to cancel an approved vacation leave he/she must submit to the Director a request for leave form rescinding the vacation leave.

All employees hired after this agreement goes into effect will only be able to transfer to this Employer vacation leave previously accrued and unused while working for Franklin County. The amount of accrued and unused vacation leave that may be transferred between agencies of Franklin County is limited to fifteen (15) working days.

Part-time employees, those working less than forty (40) hours per week, are not entitled to earn vacation leave.

Upon separation from the Franklin County Veterans Service Commission or death, accumulated unused vacation leave credit is converted to a cash payment calculated at the employee's rate of pay at the time of separation or death.

When separation from service is in the form of a transfer to another public agency, an employee may elect to convert his/her unused vacation leave balance to cash or have the unused balance transferred if the receiving employer agrees.

Payment for vacation leave credit eliminates all accrued vacation leave credits earned by the employee up to the time of conversion.
